

Orient Cables
THE SCIENCE OF CONNECTIONS

IMS Policy

We, at **Orient Cables** is committed to:

- Customer's satisfaction by delivering on time quality products at competitive price and complying all customer, and legal requirements.
- Trained and motivate employees for product/process enhancements and safety norms, through awareness programs, communication, consultation and participation of workers.
- Utilizing of available resources in optimum manner and adopting latest manufacturing technologies.
- Ensuring safe and healthy working conditions aimed at preventing work related injuries, eliminating hazards and reducing risks. Encouraging and training employees in OH&S matters.
- Prevention and control of pollution, protection of environment, judicious use of natural resources and reduction of waste through adoption of best practices and technologies.
- Continual improvement in effectiveness of Integrated Management System to improve IMS performance.
