RESOLVED FURTHER THAT any Director and Company Secretary of the Company be and are hereby severally authorized to do all acts, deeds, matters and things as may be considered necessary, desirable or expedient for giving effect to this resolution.”

SPECIAL BUSINESS:

3. To ratify the Remuneration payable to the Cost Auditors of the Company

To consider and if thought fit, to pass with or without modification(s), the following resolution as
ORDINARY RESOLUTION:

RESOLVED THAT pursuant to the provisions of Section 148 and all other applicable provisions of the Companies Act, 2013 read with and the Companies (Audit and Auditors) Rules, 2014 [including any statutory modification(s)], the Company hereby ratifies the remuneration of Rs. 43,000- (Rupees Forty-Three Thousand only) including XBRL file generation plus applicable GST and out of pocket expenses payable to Cost Auditors appointed by the Board of Directors of the Company to conduct the audit of the cost records of the Company for the financial year 2025-26 and 2026-27.

RESOLVED FURTHER THAT any Director and Company Secretary of the Company be and are hereby severally authorized to do all acts, deeds, matters and things as may be considered necessary, desirable or expedient for giving effect to this resolution.”

4. To approve for sponsorship/ remuneration for further studies of Mr. Vardaan Nagpal, Whole-time Director

To consider and if thought fit, to pass with or without modification(s), the following resolution as
ORDINARY RESOLUTION:

“RESOLVED THAT pursuant to Section 188, 196 and other applicable provisions, if any, of Companies Act, 2013, as amended, read with rules made thereunder and based on the approval of the Board, the consent of members of the Company be and is hereby accorded to sponsor the cost incurred for pursuing the course i.e. Masters in Management Studies from Duke University, United States, duration of which is 1 year, including the Course Fee, living expense/s or such other expense/s as may be required for smooth completion of the course etc. to Mr. Vardaan Nagpal, whole-time Director and son of Mr Vipul Nagpal, Managing Director in one or more tranches amounting upto Rs. 1.25 Crore (Rupees One Crore Twenty-Five lakhs).

RESOLVED FURTHER THAT the above-mentioned financial assistance shall be over and above the remuneration paid to Mr. Vardaan Nagpal, whole-time Director of the Company.

RESOLVED FURTHER THAT any Director and Company Secretary of the Company be and are hereby severally authorized to do all acts, deeds, matters and things as may be considered necessary, desirable or expedient for giving effect to this resolution.”

5. To increase the borrowing powers under section 180(1)(c) of the Companies Act, 2013 up to INR 1000 crores

To consider and if thought fit, to pass with or without modification(s), the following resolution as **SPECIAL RESOLUTION**:

“RESOLVED THAT in supersession of the earlier resolution passed in this regards and pursuant to section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 and the Rules framed thereunder, as amended from time to time, consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the ‘Board’ which expression shall be deemed to include any committee constituted by the Board) for borrowing any sum or sums of money from time-to-time, from banks, financial institutions, bodies corporate, firms or such other persons whether in India or abroad and by issue of convertible/non-convertible securities (including fully/partly convertible debentures and/or non-convertible debentures with or without detachable or non-detachable warrants and/or secured premium notes and/or floating rates notes/bonds or other debt instruments) or otherwise as it may deem fit, at its discretion, and by the issue of any instrument, commercial paper or otherwise as the Board may deem fit, any sum or sums of monies which, together with the monies already borrowed by the Company, whether unsecured or secured by mortgage, charge, hypothecation or lien or pledge on the Company’s assets, licences and properties, whether immovable or movable or stock-in-trade (including raw materials, stores, spare parts and components in stock or in transit) and work-in-progress and all or any of the undertaking of the Company, notwithstanding that the moneys to be borrowed together with moneys already borrowed by the Company, apart from temporary loans obtained or to be obtained from the Company’s bankers in the ordinary course of business, will or may exceed the aggregate of the paid-up share capital of the Company and its free reserves, so that the aggregate amount borrowed by the Board of Directors and outstanding at any point in time shall not exceed the sum of Rs.1000 Crores (Rupees One Thousand Crores Only);

RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds and things, to modify, alter or vary, execute all such documents, instruments and writings as may be required, necessary filing with Registrar of Companies NCT Delhi, and do all ancillary and incidental steps to give effect to this resolution.

6. To create charges, mortgages, hypothecation on the immovable and movable properties of the company under section 180(1)(a) of the Companies Act, 2013

To consider and if thought fit, to pass with or without modification(s), the following resolution as **SPECIAL RESOLUTION**:

“RESOLVED THAT in supersession of the earlier resolution passed in this regards and pursuant to section 180(1)(a) and other applicable provisions, if any, of the Companies Act, 2013 (the ‘Act’) and Rules framed thereunder, as amended from time to time, consent of the members of the Company be and is hereby accorded to the Board of Directors of the

Company (hereinafter referred to as the 'Board' which expression shall be deemed to include any

committee constituted by the Board) to sell, lease or otherwise dispose off and/or create such mortgages and/or charges in addition to the existing mortgages, charges, hypothecations and other encumbrances, if any, created/ to be created by the Company, on such terms and conditions and at such time or times and in such form or manner as the Board may direct, on the whole or substantially the whole or any one or more of the Company's undertakings or all its undertakings, including the present and/or future properties, whether movable or immovable, comprised in any existing and/or new undertakings of the Company, as the case may be, with power to take over the business and management of the Company in certain events, in favour of Banks/Financial Institutions, other investing agencies and trustees for the holders of debentures/bonds/other instruments to secure rupee/foreign currency loans and/or debentures and/or rupee/foreign currency convertible bonds and/or other securities (hereinafter collectively referred to as 'Loans'), borrowed or to be borrowed by the Company in such manner and on such terms as may be decided by the Board in terms of the shareholders' resolution; provided that the total amount of Loans together with interest thereon, additional interest, compound interest, liquidated damages, commitment charges, premia on pre-payment or on redemption, costs, charges, expenses and all other moneys payable by the Company in respect of the said Loans, shall not at any time exceed in the aggregate of Rs. 1000 Crores (Rupees One Thousand Crores Only).

RESOLVED FURTHER THAT the Board be and is hereby authorized to obtain any other approval or consent that may be needed, to execute the documents for creating the aforesaid mortgages and/or charges, accept any modifications to, or to modify, alter or vary, the terms and conditions of the aforesaid documents, filing of necessary forms with Registrar of Companies, NCT Delhi and to do all such acts and things and to execute all such documents to do all such acts and things as may be necessary for giving effect to the above resolution."

7. To authorise for granting loan to Managing Director, Whole-time Directors and approval of scheme thereof

To consider and if thought fit, to pass with or without modification(s), the following resolution as **SPECIAL RESOLUTION:**

"RESOLVED THAT pursuant to the provisions of Section 185 and all other applicable provisions, if any of the Companies Act, 2013 read with relevant rules made thereunder, including any statutory modification(s) thereto or re-enactment(s) thereof, for the time being in force, and subject to such other consents, permissions, approvals, as may be required in this regard the approval of the members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as "the Board", which term shall be deemed to include any committee thereof) to grant aggregate loan of upto Rs 10 crore in one or more tranches to the Managing Director and Whole time Director or their relative, any firm in which any of their directors or their relatives are interested as a partner, manager,

employee or guarantor; and any Company in which any of their directors, or their relatives are interested as a major shareholder, director, manager, employee or guarantor.

RESOLVED FURTHER THAT consent of the members be and is hereby also accorded to approve the "POLICY ON LOANS TO DIRECTORS & SENIOR OFFICERS" for providing such loan on such terms and conditions as mentioned in the policy/scheme.

RESOLVED FURTHER THAT any of the Directors and/or Company Secretary be and are hereby severally authorized to file pay returns/ forms with the Registrar of Companies and to do all acts, deeds and things that may be necessary proper, expedient or incidental for the purpose of giving effect to the aforesaid resolution.

8. To authorise board to grant loans and advances and/or securities under Section 185 of the Companies Act, 2013 to entities in whom director/s is /are interested

To consider and if thought fit, to pass with or without modification(s), the following resolution as **SPECIAL RESOLUTION**:

"RESOLVED THAT pursuant to the provisions of Section 185 and all other applicable provisions, if any of the Companies Act, 2013 read with the Companies (Amendment) Act, 2017 and Rules made thereunder, including any statutory modification(s) thereto or re-enactment(s) thereof, for the time being in force, and subject to such other consents, permissions, approvals, as may be required in that behalf, the approval of the members of the Company be and is hereby accorded to the Board of Directors(hereinafter referred to as "the Board", which term shall be deemed to include any committee thereof) of the Company to advance any loan including any loan represented by a book debt, business advance, advance for securing supplies of services / goods on a future date or give any guarantee or provide any security in connection with any loan taken by any entity which is a subsidiary or associate or joint venture of the Company or any other person in whom any of the Directors of the Company Interested / deemed to be interested to the limit of Rs 150 Crore approved by the shareholders of the Company u/s 186 of the Companies Act, 2013, in one or more tranches from time to time in their absolute discretion as may be deemed beneficial and in the interest of the Company, provided that such loans are utilized by the borrowing company for its principal business activities.

RESOLVED FURTHER THAT any of the Directors and/or Company Secretary be and are hereby severally authorized to file pay returns/ forms with the Registrar of Companies and to do all acts, deeds and things that may be necessary proper, expedient or incidental for the purpose of giving effect to the aforesaid resolution.

9. To grant power to give loans or invest funds of the company in excess of the limits specified under Section 186 of the Companies Act, 2013

To consider and if thought fit, to pass with or without modification(s), the following resolution as
SPECIAL RESOLUTION:

RESOLVED THAT pursuant to the provisions of the Section 186 and other applicable provisions, if any, of the Companies Act, 2013, consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter called 'the Board' which term shall deemed to include any Committee which Board may have constituted or hereinafter constitute to exercise its powers including the powers conferred by this resolution) to (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise the securities of any other body corporate, in excess of the limits prescribed under Section 186 of the Act, upon such terms and conditions as the Board may think fit, provided that the amount of such total loans or investments made, guarantees given and/ or securities provided shall not at any time exceed Rs.500 crore.

9. Attendance slip of AGM is attached herewith as **Annexure- C**.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 2 To consider re-appointment of Mr. Vardaan Nagpal, Director being liable to retire by rotation.

Pursuant to Section 152 and other related provisions, if any of Companies Act, 2013, Mr. Vardaan Nagpal, Whole-time Director of the Company is being liable to retire by rotation at the 21st Annual General Meeting (“AGM”) of the Company. Being eligible for reappointment, Mr. Vardaan Nagpal will offers himself for reappoint as Whole-time Director of the Company at the AGM.

His profile is as follows:

Vardaan Nagpal is the Whole-time Director of our Company. He holds a bachelor’s degree in arts (digital culture) from King’s College London. He has been associated with our Company since February 7, 2020 and was appointed as a whole-time director on March 28, 2025. Currently, he is responsible for leading strategic initiatives, special projects, and identifying inorganic growth opportunities including acquisitions and mergers, and developing joint ventures and launching new product verticals. He was awarded the title of International Master in 2018 by the International Chess Federation (FIDE).

Except Mr. Vipul Nagpal and Mrs Garima Nagpal, none of the other Directors, Key Managerial Personal or their relatives are concerned or interested financial or otherwise in the aforesaid resolution.

The Board of directors recommend to pass necessary resolution as set out in Item No.2 of the Notice by way of an Ordinary Resolution.

Item No. 3 To ratify the Remuneration payable to the Cost Auditors of the (Ordinary Resolution).

The appointment of Cost Auditors for the Financial year 2025-26 and 2026-27 was decided by the Board of Directors. The Board of Directors has accorded approval for payment of total fee of Rs. 43000/- (Rupees Forty-Three Thousand only) for cost audit. The fee structure for cost audit is broadly based on Plant capacity and number of Plants. The reimbursement of applicable statutory taxes/ levies shall be in addition to fees.

As per Rule 14 of Companies (Audit and Auditors) Rules, 2014 read with Section 148(3) of the Companies Act, 2013, the remuneration payable to Cost Auditors shall be considered and approved by the Board of Directors and ratified subsequently by the shareholders.

Accordingly, members are requested to ratify the remuneration payable to the Cost Auditors for the financial year 2025-26 and 2026-27.

None of the Directors, Key Managerial Personal or their relatives are concerned or interested financial or otherwise in the aforesaid resolution.

The Board of directors recommend to pass necessary resolution as set out in Item No.3 of the Notice by way of an Ordinary Resolution.

Item No. 4 To approve for sponsorship/ remuneration for further studies of Mr. Vardaan Nagpal, Whole-time Director (Ordinary Resolution).

Mr. Vardaan Nagpal, Whole-time Director of the Company is intending to pursue further studies i.e. Master in Management Studies from Duke University, United States, having course duration for 1 year.

This course will enhance his strategic thinking and long-term decision-making perspective of global business, credibility and brand value. This will also help in getting exposure of best business practices, leadership and people management ability which overall will help the company to grow and will be beneficial to the company in long run. The cost shall include the Course fee, living expense/s or such other expense/s as may be required for smooth completion of the course will be approximately Rs.1.25 Crore (Rupees One Crore Twenty-Five Lakhs).

The Board at its meeting held on June 30, 2026 approved the said financial assistance to complete his education based on the recommendation of Nomination and Remuneration Committee and Audit Committee.

Accordingly, members are requested to approve the said financial assistance payable to Mr. Vardaan Nagpal, Whole-time Director of the Company.

Except Mr. Vipul Nagpal and Mrs Garima Nagpal, none of the other Directors, Key Managerial Personal or their relatives are concerned or interested financial or otherwise in the aforesaid resolution.

The Board of directors recommend to pass necessary resolution as set out in Item No.4 of the Notice by way of an Ordinary Resolution.

Item No. 5 To increase the borrowing powers under section 180(1)(c) of the Companies Act, 2013 up to INR 1000 crores

Considering the working capital requirements, business plan and future business expansions, the Company may require additional funds to support from various person such as banks, financial institutions, NBFCs or any other person including related parties.

It is further informed that the provisions of Section 180(1)(c) of the Companies Act, 2013 ("Act") imposes restrictions on the borrowing powers of the Board to the extent of aggregate amount of paid-up capital, free reserves & security premium however, amount in excess of said limits can be borrowed after obtaining prior approval of shareholders of the Company by way of special resolution.

Therefore, the members are requested to pass resolutions under Section 180(1)(c) of the Act for empowering the Board of Directors to borrow moneys in excess of paid-up capital and free reserves as mentioned above.

The Board of Directors commends the Resolution as set out in the accompanying Notice for approval of the Members of the Company.

None of the Directors of the Company or their relatives, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, financial or otherwise, in the proposed Resolutions.

The Board of directors recommend to pass necessary resolution as set out in Item No.5 of the Notice by way of a Special Resolution.

Item No. 6 To create charges, mortgages, hypothecation on the immovable and movable properties of the company under section 180(1)(a) of the Companies Act, 2013

Considering the working capital requirements, business plan and future business expansions, the Company may require additional funds to support from various person such as banks, financial institutions, NBFCs or any other person including related parties.

The borrowings of the Company are in general required to be secured by suitable mortgage or charge on all or any of the movable or immovable properties of the Company, in such form, manner and ranking as may be determined by the Board from time to time, in consultation with the lender(s) and shall be in compliance as per Section 180(1)(a) of the Companies Act, 2013 ("Act").

Therefore, it is necessary to pass resolutions under Section 180(1)(a) of the Act for empowering the Board of Directors for creation of mortgage/charge on the moveable and immoveable assets and properties of the Company.

The Board of Directors commends the Resolution as set out in the accompanying Notice for approval of the Members of the Company.

None of the Directors of the Company or their relatives, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, financial or otherwise, in the proposed Resolutions.

The Board of directors recommend to pass necessary resolution as set out in Item No.6 of the Notice by way of a Special Resolution.

Item No. 7 To authorise for granting loan to Managing Director, Whole-time Directors and approval of scheme thereof.

Pursuant to the provisions of Section 185 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), company may grant loan to its Managing Director and whole-time director pursuant to the scheme approved by the members of the company by way of special resolution.

The Board recommends the resolution for the approval of the members

Except Mr. Vipul Nagpal, Mrs. Garima Nagpal and Mr. Vardaan Nagpal, none of the other Directors, Key Managerial Personal or their relatives are concerned or interested financial or otherwise in the aforesaid resolution except to the extent of their shareholding, if any.

The Board of directors recommend to pass necessary resolution as set out in Item No.7 of the Notice by way of a Special Resolution.

Item No. 8 To authorise board to grant loans and advances and/or securities under Section 185 of the Companies Act, 2013 to entities in whom director/s is /are interested.

Pursuant to the provisions of Section 185 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), no company shall, directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or (b) any firm in which any such director or relative is a partner. However, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that a special resolution is passed by the company in general meeting and the loans are utilized by the borrowing company for its principal business activities.

Accordingly the Board of Directors has considered and decided to seek shareholders' approval by way of a special resolution for any loan advanced/to be advanced, giving any guarantee or providing any security to various parties in terms of the statutory requirements provided under Section 185 of the Companies Act, 2013 and more specifically such other entity/person as the Board of the Directors in its absolute discretion deems fit and beneficial and in the best interest of the Company, provided that the aggregate limit shall not at any time exceed Rs.150 crores.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out in the Notice, except to the extent of their shareholding, if any.

The Board of directors recommend to pass necessary resolution as set out in Item No.8 of the Notice by way of a Special Resolution.

Item No. 9 To grant power to give loans or invest funds of the company in excess of the limits specified under Section 186 of the Companies Act, 2013

Section 186 of the Companies Act, 2013, provides that a company shall not directly or indirectly give any loan, guarantee, or provide security in connection with a loan, or acquire securities by way of subscription, purchase, or otherwise, exceeding the limits prescribed therein, without obtaining the prior approval of the shareholders by way of a Special Resolution.

The prescribed limits under Section 186 are:

1. 60% of the Company's paid-up share capital, free reserves, and securities premium account; or
2. 100% of its free reserves and securities premium account, whichever is higher.

In order to achieve long-term strategic and business objectives, the Company may be required to give loans, provide guarantees, or make investments in other bodies corporate or persons. Considering the growth plans and to provide financial support to subsidiaries, joint ventures, group companies, or other entities for business purposes, it is proposed to authorise the Board of Directors to grant loans, give guarantees, provide securities, or make investments together with loans and investments already made up to an overall limit of Rs.500 crores (Rupees Five hundred crore only) notwithstanding that such investments, loans, guarantees, or securities may exceed the limits specified under Section 186.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out in the Notice, except to the extent of their shareholding, if any.

The Board of directors recommend to pass necessary resolution as set out in Item No.9 of the Notice by way of a Special Resolution.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31st MARCH 2026

*[Pursuant to section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,

The Members,

ORIENT CABLES (INDIA) LIMITED

HOUSE NO.8 BLK-D SECOND FLOOR
ASHOK VIHAR PH-1, NEW DELHI
PIN - 110052

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **ORIENT CABLES (INDIA) LIMITED (CIN-U31300DL2005PLC140809)** (here in after called the company). Secretarial Audit was conducted in a manner that provided us with a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the **ORIENT CABLES (INDIA) LIMITED** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed, and other records maintained by **ORIENT CABLES (INDIA) LIMITED** ("The Company") for the financial year ended on 31st March 2026 ("Audit Period") according to the provisions of:

- 1.1 Companies Act, 2013 (the Act) and the Rules made thereunder;

- 1.2 The Secretarial Standards on the Meetings of the Board of Directors, Committees and General Meetings issued by the Institute of Company Secretaries of India;
- 1.3 The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder (**Not applicable to the Company during the audit period**).
- 1.4 The Depositories Act, 1996 and the Regulations and Byelaws framed there under;
- 1.5 Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (**Not applicable to the Company during the audit period**).
- 1.6 The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (**Not applicable to the Company during the audit period**).
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (**Not applicable to the Company during the audit period**).
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (**Not applicable to the Company during the audit period**).
 - (d) The Securities and Exchange Board of India (Share-Based Employee Benefits and Sweat Equity) Regulations, 2021; (**Not applicable to the Company during the audit period**).
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (**Not applicable to the Company during the audit period**).
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (**Not applicable to the Company during the audit period**).
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and (**Not applicable to the Company during the audit period**).

- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the audit period).**
- (i) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation 2015; **(Not applicable to the Company during the audit period).**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above as applicable on it.

We further report that

The Board of Directors of the Company is duly constituted with a proper balance of Executive Directors and Non-Executive Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

During the financial year under review Mr. Rohit Himatsingka was appointed as the Independent Director of the Company w.e.f. May 29, 2025. There were no other changes in the composition of Board during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through unanimously while the dissenting members' views if any are captured and recorded as part of the minutes.

We Further Report That:

1. In an Extra Ordinary General Meeting held on July 10, 2025 Company approved an initial public offering of Equity Shares and to create, issue, offer and allot and/or transfer Equity Shares which shall include a fresh issue of Equity Shares of face value of ₹ 1 each of the Company and an offer for sale of Equity Shares by certain existing shareholders of the Company, for cash either at par or premium such that the amount being raised pursuant to the Fresh Issue aggregates up to ₹ 3,200.00 million (with an option to the Company to retain an over-subscription to the extent of 1% of the Offer size, or such other extent as may be permitted under the Applicable Laws, and the Offer for Sale aggregates up to ₹ 3,800.00 million, with the total Offer size aggregates up to ₹ 7,000.00 million including the issue and allotment/transfer of Equity Shares to the stabilising agent pursuant to a green shoe option, if any, in terms of the SEBI ICDR Regulations at a price to be determined by the Company in consultation with BRLMs by the book building process in terms of the SEBI ICDR

Regulations or otherwise in accordance with Applicable Laws, at such premium or discount per Equity Share as allowed under Applicable Laws, out of the authorised share capital of the Company.

2. In Annual General Meeting held on June 13, 2025 shareholders of the Company approved the implementation of 'OCL Employee Stock Option Scheme 2025' ("ESOP 2025" or "Scheme") and authorised the Board of Directors of the Company to create, offer, issue, grant and allot from time to time, not exceeding 40,00,000 (Forty Lakhs) employee stock options ("Options"), in one or more tranches, to such permanent employees of the Company, working in or outside India, including any director, whether whole time or not (other than promoters and persons belonging to the promoter group, independent directors and directors holding directly or indirectly more than 10% (ten percent) of the outstanding equity shares of the Company) as determined in terms of the ESOP 2025, exercisable into not more than 40,00,000 (Forty Lakhs) equity shares of face value of Rupee 1/- (Rupee One) each fully paid-up, where one Option would convert into one equity share upon exercise, on such terms and in such manner, in accordance with the provisions of the applicable laws and the provisions of the Scheme.
3. In Annual General Meeting held on June 13, 2025 shareholders of the Company approved for increase in Authorised Share Capital of the Company from 11,50,00,000 /- (Rupees Eleven Crores and Fifty Lakhs only) divided into 11,50,00,000 /- (Rupees Eleven Crores and Fifty Lakhs only) equity shares of Rs. 1/- (Rupees one only) each to Rs. 13,00,00,000 /- (Thirteen Crores only) divided into 13,00,00,000 (Thirteen Crores only) equity shares of Rs. 1/- (Rupees one only) each by the creation of additional 1,50,00,000 (One Crore Fifty Lakhs only) equity shares of Rs. 1/- (Rupees one only) each.

Accordingly, the Capital Clause (Clause V) of the Memorandum of Association of the Company is substituted with the following:

“V. The Authorized Share Capital of the Company is Rs. 13,00,00,000 /- (Thirteen Crores only) divided into 13,00,00,000 (Thirteen Crores only) equity shares of Rs. 1/- (Rupees one only) each.”

During the period under review Company has not altered any of its provision in its Memorandum of Association other than as mentioned above. However, in Annual General Meeting held on June 13, 2025 shareholders of the Company approved the adoption of new set of Articles of Association of the Company.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

We further report that during the audit period the company has **not** undertaken the following activities.

- (i) Right/Preferential issue of shares/sweat equity/ etc.
- (ii) Redemption / buy-back of securities -.
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iv) Merger / amalgamation / reconstruction, etc.
- (v) Foreign technical collaborations

INDEPENDENT AUDITOR'S REPORT

To the Members of
ORIENT CABLES (INDIA) LIMITED
(Formerly known as Orient Cables (India) Private Limited)

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying standalone financial statements of **Orient Cables (India) Limited** (Formerly known as Orient Cables (India) Private Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit and including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in our report.

4. Information Other than the standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report and Shareholder's Information but does not include the standalone financial statements and our auditor's report thereon. The other information comprising the above documents is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that,

individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013, we give in the "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- B. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder;

On the basis of the written representations received from the directors as on March 31, 2026

taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid / provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements- Refer note 44 to the standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note 59 (xv) to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entity(ies) ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note 59 (xvi) to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that audit trail was not enabled at the database level to log any direct data changes. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure-A to the Independent Auditors' Report

Annexure referred to in paragraph 7(A) of the Independent Auditors' Report of even date to the members of **Orient Cables (India) Limited** (Formerly known as Orient Cables (India) Private Limited) on the standalone financial statements for the year ended March 31, 2026, we report that:

- I. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situations of its Property, Plant and Equipment including Right of Use assets.

(B) The Company is maintaining proper records showing full particulars of intangible assets.

(b) The Company has a program of verification to cover all the items of Property, Plant and Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) According to information and explanations given to us, and on the basis of our examination of the records of the Company, the title deeds, of the immovable properties of are held in the name of the Company. In respect of immovable properties of land and building that have been taken on lease and disclosed as Right of use assets in the standalone financial statements, the lease agreements are in the name of the Company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- II. (a) The inventories have been physically verified by the management at reasonable intervals during the period. In our opinion having regard to the nature and location of stocks, the frequency of physical verification is reasonable. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns and statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company, of the respective quarters, except for the following:

Rs. in Lakhs				
Qtr ending	Particulars	Amount as per Unaudited Books of Accounts	Amount as reported in the quarterly return/statement	Difference
30-Jun-25	Trade Receivables	20,391.92	20,391.92	-
	Inventory	7,264.89	7,355.92	(91.03)
30-Sep-25	Trade Receivables	18,349.31	18,371.84	(22.53)
	Inventory	7,508.02	7,569.77	(61.75)
31-Dec-25	Trade Receivables	23,964.64	23,961.95	2.69
	Inventory	8,103.83	8,103.63	0.20
31-Mar-26	Trade Receivables	25,166.17	28,650.71	(3,484.54)
	Inventory	8,963.87	8,919.26	44.61

III. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in subsidiary Company and granted unsecured loans to companies and interest free unsecured loans to others, in respect of which the requisite information is as below:

(a) The Company has granted unsecured loans to Companies and other parties. The details of the same are given below:

(Rs. in Lakhs)				
Particulars	Guarantees	Security	Loans	Advances in nature of loans
Aggregate amount granted/ provided during the year				
- Subsidiaries	-	-	81.00	-
- Joint Ventures	-	-	-	-
- Associates	-	-	-	-
- Others	-	-	-	140.00
Balance outstanding as a balance sheet date in respect of the above case				
- Subsidiaries	-	-	81.00	-
- Joint Ventures	-	-	-	-
- Associates	-	-	-	-
- Others	-	-	-	-

(b) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the investments made, and the terms and conditions of the grant of loans are, prima facie, not prejudicial to the interest of the Company.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no loan granted by the Company has fallen due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same party.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except for the following loan to its Subsidiary Company:

Particulars	Amount (Rs. In Lakhs)
Aggregate amount of loans/ advances nature of loans	
• Repayable on Demand	81.00
Percentage of loans/ advances in nature of loans to the total loans	100.00%

- IV. In our opinion and according to the information and explanations given to us, the Company has, in respect of loans, investments, guarantees, and security, complied with the provisions of section 185 and 186 of the Companies Act, 2013, wherever applicable.
- V. According to the information and explanation given to us, the Company has not accepted any deposits within the meaning of the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.
- VI. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- VII. (a) According to the information and explanations given to us, and records examined by us, the Company has generally been regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, goods and service tax (GST), TCS, custom duty, cess, professional tax and other material statutory dues, as applicable, except delays in few cases for PF, ESI and TDS with the appropriate authorities.

According to information and explanation given to us, and as per the records examined by us, no undisputed arrears of statutory dues outstanding as at March 31, 2026 for a period of more than six months from the date they became payable.

- (b) According to the information and explanation given to us and records examined by us, there are no dues of income tax, goods and service tax, or any other statutory dues which have not been deposited on account of any dispute.

- VIII. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- IX. (a) According to the information and explanations given to us and records examined by us as at balance sheet date the Company has not defaulted in repayment of dues to financial institutions or banks or debenture holders.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us and records examined by us, the term loan has been applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- X. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- XI. (a) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

- XII. In our opinion, the Company is not a Nidhi Company. Accordingly, the reporting under clause 3(xii) of the order is not applicable to the Company.
- XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24, "Related Party Disclosures" specified under Section 133 of the Act.
- XIV. (a) In our opinion and based on our examination, the company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- XV. According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- XVI. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi) (a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- XVII. The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- XVIII. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.
- XIX. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the

Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX. (a) In our opinion and according to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 in respect of ongoing projects. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

**To the members of
ORIENT CABLES (INDIA) LIMITED**

(Formerly known as Orient Cables (India) Private Limited)

We have audited the internal financial controls over financial reporting of **Orient Cables (India) Limited** (Formerly known as Orient Cables (India) Private Limited) ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on Audit of Internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

1. CORPORATE INFORMATION

Orient Cables (India) Limited {Formerly known as Orient Cables (India) Private Limited} 'the Company' is a public limited company domiciled and incorporated in India under the provisions of the Companies Act, ('the Act') applicable in India. The registered office of the Company is located at Second floor, House No. 8, Block D, Ashok Vihar Phase-1 New Delhi 110052, Established on September 15, 2005.

The Company is engaged in manufacturing and sale of cables (including Networking Cables, Power Cables, Optical Fiber Cables etc) and allied products.

Pursuant to resolution passed by the Members in the Extraordinary General Meeting dated November 25, 2024 and as approved by Registrar of the Company w.e.f. December 13, 2024 the Company has been converted from Private Limited Company into a Public Limited Company including adoption of new Memorandum of Association and new Articles of Association as applicable to Public Company in place of existing Memorandum of Association and Articles of Association of the Company.

2. RECENT PRONOUNCEMENTS

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, as issued from time to time. MCA vide notification no. G.S.R. 291(E) dated May 7, 2025 and notification no. G.S.R. 549(E) dated August 13, 2025, issued the Companies (Indian Accounting Standards) Amendment Rules, 2025, amending certain existing Indian Accounting Standards ("Ind AS").

A. Amendments effective for annual reporting periods beginning on or after April 1, 2025:

The amendments effective for annual reporting periods beginning on or after April 1, 2025 include changes to Ind AS 21 – The Effects of Changes in Foreign Exchange Rates, Ind AS 1 – Presentation of Financial Statements, Ind AS 7 – Statement of Cash Flows, Ind AS 107 – Financial Instruments: Disclosures, and Ind AS 12 – Income Taxes.

The Company has evaluated the above amendments and does not expect these amendments to have a material impact on its standalone financial statements.

B. Amendments issued but not yet effective:

Further, certain amendments to Ind AS 1 – Presentation of Financial Statements relating to classification of liabilities in case of breach of covenants are effective for annual reporting periods beginning on or after April 01, 2026. The Company is currently evaluating the impact of these amendments on its standalone financial statements.

3. BASIS OF PREPARATION OF STANDALONE FINANCIAL STATEMENTS**3.1 Compliance with Ind AS**

These Standalone Financial Statements ('standalone financial statements') have been prepared in accordance with the Indian Accounting Standard ('Ind AS') notified under section 133 of the

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016 and other relevant provisions of the Act, to the extent applicable.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Company, to all the periods presented in the said Standalone Financial Statements.

The preparation of the said Standalone Financial Statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the Standalone Financial Statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note no. 41.

The Standalone Financial Statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the Standalone Financial Statements, where applicable or required. All the amounts included in the Standalone Financial Statements have been rounded off to the nearest Lakhs upto two decimals, as required by General Instructions for preparation of Standalone Financial Statements in Division II of Schedule III to the Companies Act, 2013, except per share data and unless stated otherwise.

These Standalone Financial Statements are approved for issue by the Board of Directors on June 30, 2026. The revision to these Standalone Financial Statements is permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

3.2 Historical Cost Convention

The Standalone Financial Statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- (a) certain financial assets and liabilities and contingent consideration that is measured at fair value;
- (b) assets held for sale measured at fair value less cost to sell;
- (c) defined benefit plans plan assets measured at fair value; and

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

3.3 Use of estimates and judgements

The preparation of these Standalone Financial Statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

contingent liabilities as at the date of the Standalone Financial Statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected.

3.4 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading, or
- c) Expected to be realised within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

3.5 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026**

- **Level 1 — Quoted (unadjusted):** This hierarchy includes financial instruments measured using quoted prices.
- **Level 2 - Inputs other than quoted prices** included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- **Level 3 - They are unobservable inputs** for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

4. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION**4.1. Property Plant and Equipment ('PPE')**

An item is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are stated at actual cost less accumulated depreciation and impairment loss, if any. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of tax credit, if any) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use. The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively. Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation is provided pro-rata to the period of use on the straight line method based on the estimated useful life of the assets. The residual values are not more than 5% of the original cost of the assets. The useful life of property, plant and equipment are as follows: -

Asset Class	Useful Life
Building	30 Years
Computer	3 Years
Plant & Machinery -Double Shift	8 Years
Plant & Machinery - Single Shift	15 Years
Vehicles	8 Years
Furniture & Fixtures	8 Years
Other Assets (a)	8 Years

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026**

Computer Software	8 Years
Trademark	Indefinite

Note:

- For these classes of assets based on internal assessment and technical evaluation, the management believes that the useful lives as given above best represent the period over which the Management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of Companies Act 2013.
- Depreciation on the amount capitalized on up-gradation of the existing assets is provided over the balance life of the original asset.
- An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

4.2. Intangible Assets and amortisation

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Amortisation periods and methods: Intangible assets are amortised on straight line basis over a period ranging between 5-10 years which equates its economic useful life.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is different from previous estimates, the change is accounted for prospectively as a change in accounting estimate.

➤ De-recognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

a. Intangible assets under development

All costs incurred in development, are initially capitalized as Intangible assets under development - till the time these are either transferred to Intangible Assets on completion or expensed as Software Development cost (including allocated depreciation) as and when determined of no further use.

4.3. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The financial instruments are recognised in the

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

balance sheet when the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial instruments at initial recognition.

1. Financial Assets***Initial recognition and measurement***

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost.
- Debt instruments at fair value through other comprehensive income (FVTOCI).
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL).
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

Any debt instrument, that does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments (Other than investment in subsidiary)

All other equity investments are measured at fair value. For Equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Investments in Mutual Funds

Investments in mutual funds are measured at fair value through profit or loss (FVTPL)

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

De-recognition

A financial asset is de-recognized only when

The Company has transferred the rights to receive cash flows from the financial asset or

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix considers historical credit loss experience and is adjusted for forward looking information. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L).

II. Financial liabilities

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at the initial value and subsequently measured at amortised cost using the effective interest method.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

III. Derivative Financial Instruments:

The Company uses derivative financial instruments, such as forward currency contracts, to mitigate its foreign currency fluctuation risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into, and are subsequently remeasured at fair value at each reporting date. Gain or loss arising from changes in the fair value is recognised in the Statement of Profit and Loss.

Derivatives are carried as financial assets when the fair value is positive, and as financial liabilities when the fair value is negative.

The Company enters into derivative financial instruments, viz., foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate, foreign exchange rate risks and commodity prices. The Company does not hold derivative financial instruments for speculative purposes.

IV. Hedge Accounting:

The Company designates certain hedging instruments in respect of foreign currency risk as cash flow hedges. At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are reclassified to the Statement of Profit and Loss in the periods when the hedged item affects statement of profit & loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity, and is recognised when the forecast transaction is ultimately recognised in the Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

4.4. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

4.5. Inventories**a) Basis of valuation:**

1. Inventories including work-in-progress, other than scrap materials are valued at lower of cost and net realizable value after providing cost of Obsolescence, if any. The cost is determined using weighted average cost method.
2. Inventory of scrap materials have been valued at net realizable value.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

b) Method of valuation:

1. Cost of raw materials comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.
2. Cost of finished goods and work-in-progress includes direct fixed and variable production overheads and indirect taxes as applicable. Fixed production overheads are allocated on the basis of normal capacity of production facilities.
3. Cost of traded goods comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.
4. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

4.6. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

4.7. Investments in subsidiaries, associates and joint ventures

The Company records the investments in subsidiaries, associates and joint ventures at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

When the Company issues financial guarantees on behalf of subsidiaries, initially it measures the financial guarantees at their fair values and subsequently measures at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

The Company records the initial fair value of financial guarantee as deemed investment with a corresponding liability recorded as deferred revenue. Such deemed investment is added to the carrying amount of investment in subsidiaries.

Deferred revenue is recognized in the Statement of Profit and Loss over the remaining period of financial guarantee issued.

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

4.8. Foreign Currency Transactions

The functional currency of the Company is Indian Rupees which represents the currency of the economic environment in which it operates.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Transactions in currencies other than the Company's functional currency are recognized at the rates of exchange prevailing at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rate of exchange at the reporting date.

Any income or expense on account of exchange difference between the date of transaction and on settlement or on translation is recognized in the profit and loss account as income or expense.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation difference on such assets and liabilities carried at fair value are reported as part of fair value gain or loss.

In case of forward exchange contracts, the premium or discount arising at the inception of such contracts is amortized as income or expense over the life of the contract. Further exchange difference on such contracts i.e. difference between the exchange rate at the reporting /settlement date and the exchange rate on the date of inception of contract/the last reporting date, is recognized as income/expense for the period.

4.9. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statement. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries, where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries, associates and interest in joint arrangements where it is not

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

4.10. Revenue Recognition

The company recognizes revenue in accordance with Ind- AS 115. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Company expects to receive in exchange for those products or services.

Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

The Company presents revenues net of indirect taxes in its Statement of Profit and loss.

The specific recognition criteria from various stream of revenue is described below:

- a. **Revenue from the sale of goods** is recognized upon transfer of control of promised products, usually on delivery of the goods (i.e. when performance obligation is satisfied) at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of returns and allowances, trade discounts and volume rebates offered by the Company as part of the contract.
- b. **Revenue from Services** is recognized when respective service is rendered and accepted by the customer.
- c. **Capacity swaps**
The exchange of network capacity is recognised at fair value unless the transaction lacks commercial substance or the fair value of neither the capacity received nor the capacity given is reliably measurable.
- d. **Interest income**
For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).
- e. **Rental income**
Rental income arising from operating leases or on investment properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.
- f. **Insurance Claims**
Insurance claims are accounted for as and when admitted by the concerned authority.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

g. Dividend Income

Dividend income on investments is recognised when the right to receive dividend is established.

h. Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

4.11. Employee Benefits**Short Term Employee Benefits**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations**i. Defined contribution plans**

Provident Fund and employees' state insurance schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

The Company's contributions to both these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under these plans beyond its monthly contributions.

ii. Defined benefit plans**Gratuity**

The Company provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Company. The Company provides for the Gratuity Plan based on actuarial valuations in accordance with Indian Accounting Standard 19 (revised), "Employee Benefits". The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Defined retirement benefit plans comprising of gratuity, un-availed leave, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Leave Encashment

No provision for Leave encashment due to the employees has been made and the same shall be accounted for on payment basis at the time of encashment/payment or claim made by the employee.

iii. Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Standalone Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

4.12. Leases

As a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. Lease period for Building taken on lease is ranging from 2 to 3 Years.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The company's lease liabilities are included in Other financial liabilities.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

4.13. Segment Reporting***Identification of segments:***

Operating segments are reported in a manner consistent with the internal financial reporting provided to the Chief Operating Decision Maker (CODM) i.e. Chief Executive Officer. CODM monitors the operating results of all product segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the Standalone Financial Statements. The primary reporting of the Company has been performed on the basis of business segments. The analysis of geographical segments is based on the areas in which the Company's products are sold or services are rendered.

Allocation of common costs:

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items:

The Corporate and other segments include general corporate income and expense items, which are not allocated to any business segment.

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026****4.14. Cash & Cash Equivalents**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.15. Employee Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of the employee stock options at the grant. The fair value determined at the grant date of the equity-settled share-based payments is amortised over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the Statement of Profit and Loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the Share based payment reserve outstanding.

The Company measures the cost of equity-settled transactions with employees using Black-Scholes model to determine the fair value of the liability incurred on the grant date. Estimating fair value for share-based payment transactions require determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant.

This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them.

The dilutive effect, if any outstanding options is reflected as additional share dilution in computation of diluted earnings per share.

4.16. Prior Period Items

The Company has adopted following materiality threshold limits in the recognition of Prior period expenses/incomes:

No.	Threshold Items	Threshold Value
i.	Identification based on individual limits	Rs. 10 lakhs
ii.	Restatement based on overall limits	1% of Total Revenue of Previous FY

4.17. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the obligation, its carrying amount is the present value of those cash flows.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026

Contingent liabilities are disclosed in the Standalone Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are not recognised in the standalone financial statements. Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Less : Impairment allowance for trade receivables	161.97	103.02
Total	21,818.37	16,216.76

15.1 In determining the allowance for trade receivables the Company has used practical expedients based on financial condition of the customers, ageing of the customer receivables and over-dues, availability of collaterals and historical experience of collections from customers. The concentration of risk with respect to trade receivables is reasonably low as most of the customers are reputed organisations though there may be normal delays in collections.

15.2 The movement in allowances for doubtful debts is as under: -

Particulars	As at March 31, 2026	As at March 31, 2025

- iv) Current Assets
- v) Movable Fixed Assets
- vi) Personal Guarantee of Director Mr. Vipul Nagpal & Mrs. Garima Nagpal

d) Vendor Financing - Supplier Finance Arrangement

The Company, in case of certain suppliers, enjoys extended credit period by using its credit line after the due date of the invoice. The interest cost in such case is borne by the Company and is disclosed as finance cost. Since these are in nature of working capital loan/ short term loan, such amounts are disclosed as borrowings.

The Company decides which invoices will be financed. The financier pays the supplier on the commercially agreed due date. The Company repays the bank on due date of invoices along with interest rate 6.40% to 6.90% and 2M EBR (Repo Rate) + spread respectively. No guarantees or collateral are provided under the arrangement.

The Company has no significant concentration of liquidity risk with any individual finance provider.

There were no material business combinations or foreign exchange differences that would affect the liabilities under the supplier finance arrangement in either period.

The carrying amounts of liabilities under the supplier finance arrangement are considered to be reasonable approximations of their fair values, due to their short-term nature.

The Company has not provided comparative information in respect of the amendments to Ind AS 7 and Ind AS 107 relating to supplier finance arrangements, as it has applied the transitional relief available on initial adoption of these amendments, which allows entities not to present

Quantitative Disclosure of Amounts Involved:

Notes to Standalone Financial Statements for the year ended March 31, 2026

(Rs. in Lakhs)

41 Critical accounting estimates and judgments

The estimates and judgements used in the preparation of Standalone financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date. Although the Company regularly assesses these estimates, actual results could differ materially from these estimates – even if the assumptions underlying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

The areas involving critical estimates or judgments are:

1. Useful lives of property, plant and equipments **Note No. 4.1 & 5**
2. Measurement of Lease liabilities and Right of Use Asset **Note No. 4.12 & 7**
3. Useful life of Intangible asset **Note No. 4.2 & 8**
4. Taxes **Note No. 4.9, 25 & 31**
5. Measurement defined benefit obligation **Note No. 4.11 & 42**
6. Measurement of Fair Values and Expected Credit Loss (ECL) **Note No. 4.3, 14 & 15**
7. Estimation of Provisions & Contingent liabilities **Note No. 4.17 & 44**
8. Measurement of share based payments **Note No. 4.15 & 60**

42 During the year, Company has recognised the following amounts in the Standalone financial statements as per Ind AS - 19 "Employees Benefits"**a) Defined Contribution Plan**

Contribution to Defined Contribution Plan, maintained under the Employees Provident Fund Scheme by the Central Government, is charged to Profit and Loss Account as under:

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Employer's Contribution to Provident Fund and Other Funds	116.23	84.79

b) Defined Benefit Plan

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each year of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. Liability for leave encashment is being accounted on lodging of claim and no provision for any leave encashment is made in the books.

Particulars	Gratuity	
	For the year ended March 31, 2026	For the year ended March 31, 2025
Mortality	100% of IALM (2012 - 14)	100% of IALM (2012-14)
Discount rate	7.90%	6.99%
Salary Increase Rate	8.00%	8.00%

Table showing changes in present value of obligations :

Present value of the obligation as at the beginning of the year	153.40	98.85
Interest Cost	10.72	7.13
Current Service Cost	40.74	29.36
Past Service Cost	18.58	-
Benefits paid	(14.18)	(3.17)
Actuarial (gain)/ loss on obligations	(2.53)	21.23
Present value of obligation as at the end of the year	206.73	153.40

Other Comprehensive Income

Actuarial gain / (loss) for the year on PBO	(2.53)	21.23
Actuarial gain / (loss) for the year on Asset	-	-
Unrecognized actuarial gain/(loss) for the year	-	-

The amounts to be recognized in Balance Sheet :

Particulars	As at March 31, 2026	As at March 31, 2025
Export obligation under EPCG Scheme	-	-

(G) Material Civil Litigation

(i) Orient Electric Limited ("Orient Electric") filed an application under Section 16(1) of the Companies Act, 2013 for rectification of the corporate name of our Company. Our company filed a preliminary reply dated September 18, 2025 claiming that the application was liable to be dismissed. Our company further filed a detailed reply on October 10, 2025 in furtherance to the preliminary reply. The matter has been heard by the Ld. Regional Director on September 29, 2025, December 11, 2025, January 19, 2026, February 10, 2026 on which date the Ld. Regional Director was on leave and the matter was adjourned to March 11, 2026. Following the hearing held on March 11, 2026, the matter was listed on March 25, 2026, April 14, 2026 and May 6, 2026. On March 25, 2026 and May 6, 2026, adjournments were sought in view of the ongoing settlement discussions between the parties. The hearing scheduled on April 14, 2026 could not be taken up as it was a government holiday and the office of the Regional Director remained closed, resulting in no hearings being conducted on that date. On May 22, 2026, it was noted that the matter had been assigned to a newly appointed Regional Director. The newly appointed Regional Director has thereafter listed the matter on July 3, 2026. The matter is currently pending.

(ii) The Company has filed a civil suit bearing no. CS (COMM) 1140 OF 2025, against Orient Electric Limited ("Orient Electric") before the Hon'ble High Court of Delhi at New Delhi ("High Court"), seeking a permanent injunction restraining Orient Electric and all persons acting on their behalf from manufacturing, selling, advertising, promoting or using the marks ORIENT, ORIENT ELECTRIC, ORIENT WIRES, ORIENT WIRES & CABLES, or any other mark identical or deceptively similar to our Company's well-known brand "ORIENT CABLES" in relation to wires, cables or any allied goods in any manner that may cause passing off, dilution or unfair competition. The matter has been listed for hearing before the High Court on October 17, 2025, November 07, 2025, November 21, 2025, December 01, 2025, December 02, 2025, December 08, 2025, December 16, 2025, December 22, 2025, January 14, 2026, January 16, 2026, January 30, 2026, February 12, 2026 and February 19, 2026. The matter was listed before the Hon'ble Court on March 20, 2026. On the said date, both parties sought an adjournment. The matter is presently listed for hearing on July 28, 2026. The matter is currently pending.

(H) Litigation filed against our Company Material Civil Litigation

Orient Electric Limited ("Orient Electric") filed a counter civil suit bearing no. CS (COMM) 1200/2025 against our Company before the Hon'ble High Court of Delhi at New Delhi ("High Court") seeking a permanent injunction restraining our Company and all persons acting on their behalf from manufacturing, selling, offering for sale, marketing, advertising or otherwise dealing in any goods under the impugned mark "ORIENT" or any identical or deceptively similar variations thereof, including as part of any corporate/trade name, domain name, website or business identifier, so as to prevent infringement, passing off and unfair competition in relation to the Orient Electric's registered trademarks. The matter has been listed for hearing before the High Court on November 11, 2025, November 12, 2025, November 21, 2025, December 01, 2025, December 02, 2025, December 08, 2025, December 16, 2025, January 14, 2026, January 30, 2026, February 03, 2026, February 12, 2026 and February 19, 2026. The matter was listed on March 20, 2026 before HMJ Jyoti Singh, wherein both parties sought an adjournment. The next date of hearing before the Hon'ble Court is July 28, 2026. Separately, before the Ld. Joint Registrar, the matter was listed on March 25, 2026 and was thereafter directed to be listed on July 2, 2026 for reporting settlement, if any, and/or completion of pleadings. Orient Cables/the Company filed its Written Statement on April 4, 2026. The Written Statement has been taken on record and has been placed for consideration on the already scheduled date of July 2, 2026. The matter is currently pending.

45 In the opinion of the Board and of the best of their knowledge and belief, the value of realization in respect of the Current Assets, Loans and advances in the ordinary course of business would not be less than the amount at which they are stated in the Balance Sheet and the provision for all known and determined liabilities is adequate and not in excess of amount reasonably required.

46 Segmental Reporting

(a) Primary Segment Information

The Company has identified business segments as its primary segment and geographic segments as its secondary segment. Accordingly segments have been identified in line with Indian Accounting Standard on Segment Reporting 'Ind AS-108'. The Company is mainly engaged in the business of manufacturing of extensive range of cables including Networking Cables, power Cable, Optical Fiber Cables and Other Allied Products etc. There are no reportable business segment taking into account all the factors, viz., the nature of product and services, identical risks and return, the organization structure and the internal financial reporting system.

(b) Geographical Information

Geographical revenue is allocated based on the location of the customers and non current assets are also allocated based on the location of the assets. The information regarding geographical revenue and non-current assets are as follows:

Particulars	For the year ended March 31, 2026	For the year ended March 31, 2025
Revenue from External Customers		
In India	1,06,313.17	73,591.48
Outside India	10,848.56	8,904.31
Total revenue as per statement of profit and loss	1,17,161.73	82,495.79
Non Current Assets		
Within India (excluding financial assets & deferred tax assets)	19,396.49	15,851.70
Outside India	-	-
Total	19,396.49	15,851.70

47 Disaggregation of Revenue

The operations of the Company are limited to business of manufacturing of extensive range of cables including Networking Cables, power Cable, Optical Fiber Cables and Other Allied Products etc. Revenue from contract with customers is from sale of manufactured goods. Sale of goods are made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Company has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Company is not significant.

KMP are those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any director, whether executive or otherwise. Remuneration to key management personnel were as follows:

F.Y. 2025-26

Particulars	Director	Company Secretary	CFO
Short-term employee benefits	229.90	30.02	68.44
Performance linked incentive ("PLI")	-	-	-
Post-employment benefit	12.10	0.22	2.08
Share-based payment^^	-	3.19	-
Dividend paid	-	-	-
Commission paid	-	-	-

F.Y. 2024-25

Particulars	Director	Company Secretary	CFO
Short-term employee benefits	108.76	21.14	46.90
Performance linked incentive ("PLI")	-	1.20	30.00
Post-employment benefit	4.91	0.18	0.11
Share-based payment	-	-	-
Dividend paid	-	-	-
Commission paid	-	-	-

As the liabilities for the gratuity are provided on an actuarial basis, and calculated for the Company as a whole rather than each of the individual employees, the said liabilities pertaining specifically to KMP are not known and hence, not included in the above table.

^^ Share based payment transactions included above relates to fair value of options granted to Key Management Personnel under the ESOP scheme, that is amortised in the statement of Profit and Loss during the grant period until the Vesting of the shares as per the scheme.

49 Financial Risk Management Objectives and Policies

The Company's principal financial liabilities comprise trade and other payables, lease liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

*Trade payables also include Rs. 2,004.28 lakhs in respect of payable that have been discounted by suppliers from banks/financiers.

^Borrowings include Rs. 5,497.31 Lakhs in respect of trade payable that have been paid by the bank under supplier financing arrangements.

The Company had access to following funding facilities :

Funding facilities	As at March 31, 2026			As at March 31, 2025		
	Total facility	Drawn	Undrawn	Total facility	Drawn	Undrawn
Less than 1 year	23,000.00	13,041.16	9,958.84	15,000.00	7,930.45	7,069.55
Total	23,000.00	13,041.16	9,958.84	15,000.00	7,930.45	7,069.55

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
INTEREST RATE RISK		
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.	In order to manage its interest rate risk, the Company diversifies its portfolio in accordance with the risk management policies.	As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. a) A 1% increase in interest rates would have led to approximately an additional Rs. 8.60 Lakhs gain for year ended March 31, 2026 (Rs. 9.39 Lakhs gain for year ended March 31, 2025) in interest income. A 1% decrease in interest rates would have led to an equal but opposite effect. b) A 1% increase in interest rates would have led to approximately an additional Rs. 233.18 Lakhs loss for year ended March 31, 2026 (Rs. 113.45 Lakhs loss for year ended March 31, 2025) in interest expense. A 1% decrease in interest rates would have led to an equal but opposite effect.
a) Company has Fixed deposits with Banks amounting to Rs. 859.51 Lakhs as at March 31, 2026 (Rs. 939.48 Lakhs as at March 31, 2025). Interest Income earned on fixed deposit for year ended March 31, 2026 is Rs. 52.25 Lakhs (Rs. 34.66 Lakhs for the year ended March 31, 2025)		
b) Company has Borrowing from Banks amounting to Rs. 23,318.19 Lakhs as at March 31, 2026 (Rs. 11,344.94 Lakhs as at March 31, 2025). Interest Expenses on such borrowings from Banks for the year ended March 31, 2026 is Rs. 1,093.32 Lakhs (Rs. 451.14 Lakhs for the year ended March 31, 2025).		

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting year.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
PRICE RISK		
The Company is exposed to price risk arising from its investments in mutual funds classified as financial assets measured at Fair Value Through Profit or Loss (FVTPL). These investments are valued based on the Net Asset Value (NAV) declared by the respective fund houses at the reporting date. Consequently, changes in the NAV due to market movements may impact the Company's profit before tax.	The Company manages its exposure to price risk by investing surplus funds in a diversified portfolio of mutual funds after evaluating the credit quality, investment objectives and liquidity profile of the schemes. The investment portfolio is periodically reviewed and monitored by the management to ensure that the associated market risks remain within acceptable limits.	As an estimation of the approximate impact of the price risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in NAV. A reasonably possible 1% increase in the Net Asset Value (NAV) of mutual fund investments at the reporting date, with all other variables held constant, would have resulted in an approximately Rs. 7.89 lakhs increase in profit before tax as at March 31, 2026 (March 31, 2025: Rs. 7.49 lakhs). A 1% decrease in the NAV would have resulted in an equal but opposite effect.
The Company has investment in mutual funds amounting to Rs. 788.96 Lakhs as at March 31, 2026 (Rs. 748.60 Lakhs as at March 31, 2025).		

Foreign Currency Risk:

The Company operates internationally and undertakes transactions denominated in foreign currencies, primarily USD and Euro. Consequently, the Company is exposed to foreign currency risk arising from export revenues, import of raw materials and capital goods, and other foreign currency commitments.

Exchange rate fluctuations may impact the Company's revenue, costs, and outstanding receivables/payables denominated in foreign currencies. The Company manages its foreign exchange exposure in accordance with its approved risk management policy. Foreign currency exposure at the end of the reporting year and its sensitivity analysis: refer note no. 51.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

The Company trades with recognized and credit worthy third parties. It is the Company's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant. At March 31, 2026 the Company had top 10 customers that owed the Company more than Rs. 16,298.09 Lakhs (March 31, 2025: Rs. 11,450.27 Lakhs) and accounted for approximately 74.15 % (March 31, 2025: 63.98%) of all the receivables outstanding. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note no. 15. The Company does not hold collateral as security. The Company is exposed to credit risk in the event of non-payment by customers. Credit risk concentration with respect to trade receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognized as per the assessments. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

During the year, the Company assigned certain trade receivables under a limited recourse factoring arrangement, which have been derecognised in accordance with Ind AS 109. Accordingly, such receivables are not included in the Company's maximum credit risk exposure. (Refer Note 15.8).

The Company invests surplus funds in debt mutual fund schemes. These schemes mainly invest in high-quality debt securities and, accordingly, the Company considers the associated credit risk to be low.

Security deposits with landlords, which are recoverable on completion of lease term or termination of lease arrangements where the credit risk is envisaged to be minimal and recoverability of such amount is monitored at regular intervals. The Company has not acquired any credit impaired asset.

The risk of default in respect of loans granted to the subsidiary is considered negligible, considering the financial position and ongoing support arrangements.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. The Company maintains its Cash and cash equivalents and Bank deposits with reputed and highly rated banks. Hence, there is no significant credit risk on such deposits. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2026 is the carrying amounts as illustrated in Note no. 11.17 & 19.

Capital Management

Capital includes issued equity capital and Securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to ensure the Company's ability to continue as a going concern and maximize the shareholder value.

Particulars	Note No.	As at March 31, 2026	As at March 31, 2025
Borrowings (excluding supplier finance arrangement)	23.26	17,820.88	11,344.94
Liabilities under supplier finance arrangement	26	5,497.31	-
Less : Cash and Cash equivalents	16	(1,289.05)	(145.36)
Less: Other Bank Balances	17	(36.22)	(8.30)
Net Debt		21,992.92	11,191.28
Total Equity		23,633.29	18,067.47
Net Debt to Equity		93.06%	61.94%

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using Net debt equity ratio, which is Net Debt divided by Equity.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026 and March 31, 2025.

Total Financial liabilities	-	-	23,989.88	23,989.88	23,989.88

Management has assessed that Cash and cash equivalents, Other balances with banks, Loans, Trade receivables, Other financial assets, Borrowings, Lease liabilities, Trade payables and Other financial liabilities with short term-maturities carried at amortized cost (Level 3) approximate their carrying amounts largely due to the short-term maturities of these instruments.

Fair value hierarchy :

The fair value measurement hierarchy of the company's assets and liabilities are as follows:

	Level 1 As at March 31, 2026	Level 2 As at March 31, 2026	Level 3 As at March 31, 2026
Financial assets			
At fair Value through Profit or Loss			
Investment	788.96	-	-
Financial liabilities			
At fair Value through Profit or Loss			
Foreign currency forward contracts	-	31.44	-

	Level 1 As at March 31, 2025	Level 2 As at March 31, 2025	Level 3 As at March 31, 2025
Financial assets			
At fair Value through Profit or Loss			
Investment	748.60	-	-

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation Methodology

All financial instruments are initially recognized and subsequently re-measured at fair value as described below :

(a) Investment in mutual funds are valued using the closing net assets value (NAV) as at the Balance Sheet date. Foreign currency forwards are valued based on the forward exchange rates provided by the bank as at the balance sheet date.

(b) Trade receivables, cash and cash equivalents, borrowings, trade payables and other financial assets and liabilities approximate the carrying value due to their short term maturities. Fair value is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

(c) The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting year.

(d) Fair value of the remaining financial instruments is determined using discounted cash flow analysis, unless the carrying value is considered to approximate to fair value.

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

51 Foreign Currency Exposure

a) The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations will arise.

b) The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. The use of foreign currency forward contracts is governed by the Company's strategy, which provides principles on the use of such forward contracts consistent with Company's Risk Management Policy. The Company does not use forward contracts for speculative purposes.

c) The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting year are as follows:

(i) Detail of outstanding forward contracts:

Particulars	As at March 31, 2026		As at March 31, 2025	
	Foreign Currency	Equivalent	Foreign Currency	Equivalent
		(Rs. in Lakhs)		(Rs. in Lakhs)
USD/INR	7,26,850.00	628.69	-	-

(iii) Foreign Currency Exposure

Particulars	Currency	As at March 31, 2026		As at March 31, 2025	
		Foreign Currency	Equivalent	Foreign Currency	Equivalent
			(Rs. in Lakhs)		(Rs. in Lakhs)

55 Analytical Ratios (as required by Schedule III of the Companies Act, 2013)

S. No.	Ratio	Numerator	Denominator	As at March 31, 2026	As at March 31, 2025	% Variance	Reason for variance (if above 25%)
				Ratio	Ratio		
1	Current ratio (in times)	Total current assets	Total current liabilities	1.27	1.20	5.28%	NA
2	Debt-Equity ratio (in times)	Debt consists of borrowings and lease liabilities	Total equity	0.99	0.64	55.38%	Change in the ratio is due to higher borrowings availed during the year to fund working capital requirements and the recognition of supplier finance arrangements as borrowings
3	Debt service coverage ratio (in times)	Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses + Interest + Other non-cash adjustment	Debt service = Interest and lease payments + Principal repayment	3.18	4.24	-25.11%	Change in the ratio is due to higher interest and principal repayment
4	Return on equity ratio (in %)	Net Profit After Tax	Average Shareholder's equity	0.26	0.35	-24.91%	NA
5	Inventory turnover ratio (in times)	Revenue from operations	Average Inventory	12.67	14.59	-13.14%	NA
6	Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	6.16	5.53	11.49%	NA
7	Trade payables turnover ratio (in times)	Cost of Goods Sold	Average trade payables	8.76	5.44	61.00%	Change in the ratio is due to higher purchases during the year and the classification of certain supplier finance arrangements as borrowings, resulting in a lower average trade payables balance
8	Net capital turnover ratio (in times)	Revenue from operations	Working capital (i.e. Total current assets less Total current liabilities)	14.46	18.85	-23.29%	NA
9	Net profit ratio (in %)	Profit/(Loss) after Tax for the period	Revenue from operations	4.62%	6.46%	-28.47%	Change in the ratio is due to higher raw material prices and changes in the product mix compared to the previous year
10	Return on capital employed (in %)	Profit before tax and finance cost	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	19.55%	28.33%	-30.98%	Change in the ratio is due to lower profitability on account of higher raw material prices and changes in the product mix compared to the previous year
11	Return on investment (in %)	Income generated from invested funds	Average invested funds in treasury investments				
(a)	Market Linked Investment	Gain on fair valuation	Average investment in Mutual Funds	5.25%	8.39%	-37.44%	Change in the ratio is due to lower fair value gains on market-linked investments during the year.
(b)	Fixed Income Investments	Interest Income	Average investment in Fixed Income Investments	5.81%	3.83%	51.57%	Change in the ratio is due to higher interest income earned on increased margin money maintained as fixed deposits against higher utilisation of letter of credit (LC) facilities.

56 Initial Public Offer

The Company is in process of Initial Public Offer (IPO) to raise Rs. 70,000.00 Lakhs through fresh issue of equity shares and offer for sale by selling shareholders of face value of Rs. 1/- each. The Company has filed Draft Red Herring Prospectus ("DRHP") with SEBI dated July 10, 2025. As at March 31, 2026, the Company has incurred expenses of Rs. 828.91 Lakhs (As at March 31, 2025, Rs. 279.07 Lakhs) that are directly attributable to the proposed Initial Public Offering ("IPO"). Such amounts were shown as Other advances under Note 19. The Company expects to recover certain amounts from its selling shareholders and the balance amount would be adjusted against securities premium account in accordance with Section 52 of The Companies Act, 2013 upon the shares being issued.

57 As per Notification No.FEMA 23(R)/(7)/2025-RB Dated November 13, 2025 and RBI guidelines the amount representing the full export value of goods / software/ services exported should be realized and repatriated to India within fifteen months from the date of export i.e. Date of Invoice. Trade receivable of Rs. 22.75 Lakhs (March 31, 2025: Rs. 44.67 Lakhs) is outstanding against export beyond stipulated time as at March 31, 2026.

58 As per master circular on Import of Goods and Services vide ref no. RBI/2015-16/82 Master Circular No.13/2015-16, Dated July 01, 2015(Amended up to November 27, 2015) remittances against imports should be completed not later than six months from the date of shipment. Trade payable of Rs. 0.92 Lakhs (March 31, 2025: Rs. Nil) is unpaid against import beyond stipulated time as at March 31, 2026.

59 Other Statutory Information

- i) The title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- ii) The Company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the reporting year.
- iii) The Company does not have any investment in properties.
- iv) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- v) The Company has not advanced any loans or advances in the nature of loans to specified persons viz. promoters, directors, KMPs, related parties; which are repayable on demand or where the agreement does not specify any terms or year of repayment except loan given to subsidiary which is repayable on demand (as disclosed in Note No. 18).
- vi) The Company has utilised funds raised from borrowings from banks for the specific purposes for which they were taken.
- vii) The Company has been sanctioned working capital limits from banks or financial institutions on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company except as mentioned hereunder:

As at March 31, 2026

Qtr ending	Bank Name	Particulars	Amount as per Unaudited Books of Accounts	Amount as reported in the quarterly return/statement	Difference	Reason for Discrepancies
30-Jun-25	HDFC Bank/CITI Bank/ICICI Bank	Trade Receivables	20,391.92	20,391.92		The differences are due to the change in overhead, AR factoring, reinstatement, and year end audit adjustment entry.

- viii) The Company has not been declared as a wilful defaulter by any lender who has powers to declare a company as a wilful defaulter at any time during the reporting year or after the end of reporting year but before the date when financial statements are approved.
- ix) The Company does not have any transactions with struck-off companies.
- x) The Company does not have any transaction which is not recorded in the books of accounts but has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- xi) The Company has not traded or invested in Crypto currency or Virtual Currency during the reporting year.
- xii) The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Companies Act, 2013 read with Companies (Restriction on number of Layers) Rules, 2017.
- xiii) The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies (ROC) beyond the statutory year.
- xiv) The Company has not filed any scheme of arrangements in terms of section 230 to 237 of the Companies Act, 2013 during the year.
- xv) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- xvi) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

60 Share Based Payments

At the recommendation of Nomination and remuneration committee and pursuant to the resolution passed by the Board of Directors in their meeting held on June 12, 2025, and approved by the Shareholder at their annual general meeting held on June 13, 2025 the Company has announced the OCL Employee Stock Option Scheme 2025 ("OCL ESOP Scheme 2025") for issue of options to the eligible employees which may result in issue of Equity Shares not exceeding 4,000,000 Equity Shares. The OCL ESOP Scheme 2025 has been framed in compliance with the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021. During the year, the Nomination and Remuneration Committee in its meeting held on June 12, 2025 granted 4,96,024 options to the eligible employees of the Company at an exercise price of Rs. 212.96. Remaining options of 35,03,976 are available in the ESOP Pool to be granted to the employees of the Company. Over the course of operations, 59,713 options out of the granted pool lapsed and were added back to the ungranted pool. Hence, total ungranted options as on March 31, 2026 are 35,63,689. Vesting of Options will take place over year of Four years in the manner as under:

Vesting Schedule: end of			
1st Year	2nd Year	3rd Year	4th Year
15%	25%	30%	30%

Set out below is a summary of options granted under

Particulars	For the year ended March 31, 2026		For the year ended March 31, 2025	
	Weighted average exercise price per share option (INR)	Number of options	Weighted average exercise price per share option (INR)	Number of options
Opening balance	-	-	-	-
Granted during the year	212.96	4,96,024	-	-
Exercised during the year	-	-	-	-
Forfeited/expired during the year	-	59,713	-	-
Closing balance	212.96	4,36,311	-	-

Share options outstanding at the end of reporting year has following exercise prices and weighted average remaining contractual life:

Grant date	For the year ended March 31, 2026			For the year ended March 31, 2025		
	Exercise price	Share options	weighted average remaining contractual life	Exercise price	Share options	weighted average remaining contractual life
June 13, 2025	212.96	65,447	4.12	-	-	-
June 13, 2025	212.96	1,09,078	4.62	-	-	-
June 13, 2025	212.96	1,30,893	5.12	-	-	-
June 13, 2025	212.96	1,30,893	5.62	-	-	-

Measurement of fair values

The fair values are measured based on the Black-Scholes-Merton model. The fair value of the options and inputs used in the measurement of the grant date and measurement date fair values of the equity settled and cash settled share based payments are as follows:

Options granted on	Fair value per Option at grant date (in INR)	Share price at grant date (in INR)	Exercise price (in INR)	Expected volatility	Expected life (in years)	Expected dividend yield	Risk-free interest rate
June 13, 2025	96.79	212.96	212.96	36.69%	4.92	0.23%	5.89%
June 13, 2025	96.79	212.96	212.96	38.48%	5.42	0.23%	5.92%
June 13, 2025	96.79	212.96	212.96	38.19%	5.92	0.23%	5.96%
June 13, 2025	96.79	212.96	212.96	37.77%	6.42	0.23%	5.99%

Share based payment expenses for ESOPs issued to KMPs:

Name of Person	Amount
Ms. Mona Kaushtik	3.19
Total Share based payment expenses for ESOPs issued to KMPs	3.19

61 Audit Trail

The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company is using accounting software SAP Business One 10.0 version for SAP HANA (10.0.180) FP 2111 (64-bit) for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software. However, the audit trail (edit logs) feature for any direct changes made at the database level was not enabled for accounting software used for maintenance of books of accounts. Further, there are no instances of audit trail feature being tampered with in respect of these accounting software's where the audit trail has been enabled. Additionally, the audit trail of previous years has been preserved as per the statutory requirements for record retention.

62 Backup of Books of accounts

The Company is maintaining its books of accounts in electronic mode and these books of accounts are accessible in India at all times and the back-up of these books of accounts have been kept in servers physically located in India.

63 Event occurred after Balance sheet date

a) The Company has entered into a Memorandum of Understanding ("MoU") with Aditya Infotech Limited wherein it was agreed to enter into 50:50 Joint Venture arrangement for the purposes of carrying on the business of manufacturing of electric cables including LAN cables and CCTV cables, terminated assemblies, and connectors, for Aditya Infotech Limited ("AIL"). In order to implement the proposed joint venture, it has been agreed to incorporate a Private Limited Company in the name and style as agreed between the Parties under the said MoU. The MoU is a non-binding arrangement, and the proposed joint venture shall be subject to execution of definitive agreement(s) and other necessary approvals, if any. The MoU shall automatically stand terminated upon execution of such definitive agreement(s).

b) The Company has entered into a registered lease deed dated November 26, 2025 with Rajdhani Industrial Park, Bengaluru, Karnataka, for the premises situated at Plot No. 285, Rajdhani Industrial Park Road No.7 Averaahalli Industrial Area, Bijanakote Village, Somapura Hobli, Nelamangala Taluk, Bangalore Rural. The lease has been executed for a period of 5 (Five) years commencing from the lease commencement date, at a monthly lease rental of Rs. 9.90 Lakhs/- starting from April 01, 2026, subject to escalation and other terms and conditions as stipulated in the lease agreement. The said premises is being used for manufacturing of networking cables, Optical Fiber and Power cables and the commercial production at the facility commenced on April 01, 2026.

64 Subsequent Events

There are no other subsequent events that occurred after the reporting date, other than those already mentioned in the standalone financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of
ORIENT CABLES (INDIA) LIMITED
(Formerly known as Orient Cables (India) Private Limited)

Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying consolidated financial statements of **Orient Cables (India) Limited** (Formerly known as Orient Cables (India) Private Limited) ("the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the consolidated Balance sheet as at March 31, 2026 the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2026, and its loss (including other comprehensive Income), changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the financial year ended March 31, 2026.

These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in our report.

4. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The other information comprising the above documents is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

6. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statement of such entities included in the consolidated financial statement of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Other Matters

- a) Based on the consideration of the report of other auditor on separate financial statement and other financial information of subsidiary company, these consolidated financial Statements includes:
 - i. OCL Greentech Private Limited
- b) We did not audit the financial statements and other financial information in respect of the one (1) subsidiary included in the consolidated financial statements, whose financial statements/financial information before consolidation adjustments, include total assets of Rs. 224.63 Lakhs as at March 31, 2026, total revenues of Rs. 15.18 Lakhs, net profit/(loss) after tax of Rs. (51.35) Lakhs, total comprehensive income/(Loss) of Rs. (51.35) Lakhs, and net cash inflows/(outflows) of Rs. 0.41 Lakhs for the year ended on that date, as considered in the Consolidated financial statements. These financial statements/financial information have been

audited by other auditor whose report have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub section (3) of section 143 of the act, in so far as it relates to the aforesaid subsidiary is based on the report of the other auditor and procedure performed by us as stated in paragraph 6 above.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

8. Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and the other financial information of subsidiary, as noted in the 'other matters' paragraph above, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder;
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of Holding Company, the report of the statutory auditors of its subsidiary company, none of the directors of the group companies is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, and based on the auditor's reports of subsidiary companies, the remuneration paid

by the Holding Company to its directors and such subsidiary companies to their respective directors during the year is in accordance with the provisions of section 197 of the Act;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 43 to the consolidated financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.
 - iv. (a) The Management of the Holding Company whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, other than as disclosed in the Note no. 57 (xv) to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management of the Holding Company whose financial statements have been audited under the Act, have represented to us that, to the best of its knowledge and belief, as disclosed in the Note no. 57 (xvi) to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures performed by us and those performed by the auditors of the subsidiary, that have been considered reasonable and appropriate in the circumstances performed, nothing has come to our or other auditor's notice that has caused us or other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Holding Company and its subsidiary have not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, and based on the other auditor's reports of its subsidiary company incorporated in India whose financial statements have been audited under the Act, the Parent Company and its subsidiary company incorporated in India have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2026, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that audit trail was not enabled at the database level to log any direct data changes. Further, during the course of audit, we and the respective other auditors, whose report have been furnished to us by the Management of the Parent Company, have not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Holding Company and Subsidiary Company as per the statutory requirements for record retention.
- B. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order" / "CARO") issued by the Central Government in terms of section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us and CARO reports issued by the respective auditors included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that no qualifications or adverse remarks by the companies included in the consolidated financial statements except for the following:

S. No.	Name	CIN	Holding Company/ Subsidiary Company	Clause number of the CARO report which is qualified or is adverse

ANNEXURE "A" THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of
ORIENT CABLES (INDIA) LIMITED
(Formerly known as Orient Cables (India) Private Limited)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of **Orient Cables (India) Limited** (Formerly known as Orient Cables (India) Private Limited) (hereinafter referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), as on that date. There are no subsidiary companies which are companies incorporated in India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing both, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in the Other Matters paragraph below, the Group have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

operating effectively as at March 31, 2026 based on the internal control over financial reporting criteria established by the respective companies of the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to One (1) subsidiary company is based solely on the corresponding report of the auditors of such company.

Our opinion is not modified in respect of the above matter.

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026****GROUP INFORMATION****1.1 Background of Holding Company**

Orient Cables (India) Limited {Formerly known as Orient Cables (India) Private Limited} or 'the Holding Company' is a public limited company domiciled and incorporated in India under the provisions of the Companies Act, ('the Act') applicable in India. The registered office of the Company is located at Second floor, House No. 8, Block D, Ashok Vihar Phase-1 New Delhi 110052, Established on September 15, 2005.

The Company is engaged in manufacturing and sale of cables (including Networking Cables, Power Cables, Optical Fiber Cables etc) and allied products.

Pursuant to resolution passed by the Members in the Extraordinary General Meeting dated November 25, 2024 and as approved by Registrar of the Company w.e.f. December 13, 2024 the Company has been converted from Private Limited Company into a Public Limited Company including adoption of new Memorandum of Association and new Articles of Association as applicable to Public Company in place of existing Memorandum of Association and Articles of Association of the Company.

1.2 Background of Subsidiary Company

The following is the list of all subsidiary companies along with the proportion of voting power held:

Name of Companies	Holding (%)	Country of incorporation and other particulars
OCL Greentech Private Limited	51% (Subsidiary Company)	Company was incorporated in India, on May 15, 2025

Pursuant to the Board Resolution dated March 28, 2025, Orient Cables (India) Limited has incorporated a Subsidiary OCL Greentech Private Limited on May 05, 2025 and Mr. Vipul Nagpal, Managing Director and Vardaan Nagpal, Whole Time Director of the Orient Cables (India) Limited have been appointed as the directors of the aforementioned Subsidiary.

2. RECENT PRONOUNCEMENTS

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, as issued from time to time. MCA vide notification no. G.S.R. 291(E) dated May 7, 2025 and notification no. G.S.R. 549(E) dated August 13, 2025, issued the Companies (Indian Accounting Standards) Amendment Rules, 2025, amending certain existing Indian Accounting Standards ("Ind AS").

A. Amendments effective for annual reporting periods beginning on or after April 1, 2025:

The amendments effective for annual reporting periods beginning on or after April 1, 2025 include changes to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 1 - Presentation of Financial Statements, Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures, and Ind AS 12 - Income Taxes.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

The Group has evaluated the above amendments and does not expect these amendments to have a material impact on its consolidated financial statements.

B. Amendments issued but not yet effective:

Further, certain amendments to Ind AS 1 – Presentation of Financial Statements relating to classification of liabilities in case of breach of covenants are effective for annual reporting periods beginning on or after April 01, 2026. The Group is currently evaluating the impact of these amendments on its consolidated financial statements.

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

3.1 Compliance with Ind AS

These Consolidated Financial Statements ('Consolidated financial statements') have been prepared in accordance with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016 and other relevant provisions of the Act, to the extent applicable.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Company, to all the periods presented in the said Consolidated Financial Statements.

The preparation of the said Consolidated Financial Statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the Consolidated Financial Statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note no. 40.

The Consolidated Financial Statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the Consolidated Financial Statements, where applicable or required. All the amounts included in the Consolidated Financial Statements have been rounded off to the nearest Lakhs upto two decimals, as required by General Instructions for preparation of Consolidated Financial Statements in Division II of Schedule III to the Companies Act, 2013, except per share data and unless stated otherwise.

These Consolidated Financial Statements are approved for issue by the Board of Directors on June 30, 2026. The revision to these Consolidated Financial Statements is permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

3.2 Basis of Consolidation

A. Subsidiaries

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are de-consolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group. The group combines the restated consolidated financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the restated consolidated statement of profit and loss, restated consolidated statement of changes in equity and balance sheet respectively.

B. Associates

Associates are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see (iv) below), after initially being recognized at cost.

C. Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the group share of the post-acquisition profits or losses of the investee in profit and loss, and the group share of other comprehensive income of the investee in other comprehensive income.

When the group share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealized gains on transactions between the Holding Company and its associates and joint ventures are eliminated to the extent of the group interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described below.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

D. Changes in ownership interests

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

As far as possible, the restated consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Holding Company's stand-alone financial statements. Differences in accounting policies are disclosed separately.

The financial statements of the entities used for the purpose of consolidation are drawn up to reporting date as that of the Holding Company i.e. December 31, 2025.

E. Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognized in profit or loss or OCI, as appropriate.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, then the gain is recognized in OCI and accumulated in equity as capital reserve. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

Goodwill is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. Any impairment loss for goodwill is recognized in profit or loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

3.3 Historical Cost Convention

The Consolidated Financial Statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- (a) certain financial assets and liabilities and contingent consideration that is measured at fair value;
- (b) assets held for sale measured at fair value less cost to sell;
- (c) defined benefit plans plan assets measured at fair value; and

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

3.4 Use of estimates and judgements

The preparation of these Consolidated Financial Statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Group to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the Consolidated Financial Statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

3.5 Current versus non-current classification

The Group presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading, or
- c) Expected to be realised within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

3.6 Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Group categorizes assets and liabilities measured at fair value into one of three levels as follows:

- Level 1 — Quoted (unadjusted): This hierarchy includes financial instruments measured using quoted prices.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Group assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026**

assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

4. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION**4.1. Property Plant and Equipment ('PPE')**

An item is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Group and its cost can be measured reliably. PPE are stated at actual cost less accumulated depreciation and impairment loss, if any. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of tax credit, if any) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use. The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively. Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation is provided pro-rata to the period of use on the straight line method based on the estimated useful life of the assets. The residual values are not more than 5% of the original cost of the assets. The useful life of property, plant and equipment are as follows: -

Asset Class	Useful Life
Building	30 Years
Computer	3 Years
Plant & Machinery -Double Shift	8 Years
Plant & Machinery - Single Shift	15 Years
Vehicles	8 Years
Furniture & Fixtures	8 Years
Office Equipments (a)	8 Years
Computer Software	8 Years
Trademark	Indefinite

Note:

- For these classes of assets based on internal assessment and technical evaluation, the management believes that the useful lives as given above best represent the period over which the Management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of Companies Act 2013.
- Depreciation on the amount capitalized on up-gradation of the existing assets is provided over the balance life of the original asset.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

- c. An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

4.2. Intangible Assets and amortisation

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Amortisation periods and methods: Intangible assets are amortised on straight line basis over a period ranging between 5-10 years which equates its economic useful life.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is different from previous estimates, the change is accounted for prospectively as a change in accounting estimate.

➤ **De-recognition of intangible assets**

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

a. **Intangible assets under development**

All costs incurred in development, are initially capitalized as Intangible assets under development - till the time these are either transferred to Intangible Assets on completion or expensed as Software Development cost (including allocated depreciation) as and when determined of no further use.

4.3. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The financial instruments are recognised in the balance sheet when the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial instruments at initial recognition.

I. Financial Assets***Initial recognition and measurement***

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost.
- Debt instruments at fair value through other comprehensive income (FVTOCI).
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL).
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

Any debt instrument, that does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

Equity investments

All other equity investments are measured at fair value. For Equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Investments in Mutual Funds

Investments in mutual funds are measured at fair value through profit or loss (FVTPL)

Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

De-recognition

A financial asset is de-recognized only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

determining the allowances for doubtful trade receivables, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix considers historical credit loss experience and is adjusted for forward looking information. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L).

II. Financial liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

III. Derivative Financial Instruments:

The Group uses derivative financial instruments, such as forward currency contracts, to mitigate its foreign currency fluctuation risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into, and are subsequently remeasured at fair value at each reporting date. Gain or loss arising from changes in the fair value is recognised in the Statement of Profit and Loss.

Derivatives are carried as financial assets when the fair value is positive, and as financial liabilities when the fair value is negative.

The Group enters into derivative financial instruments, viz., foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate, foreign exchange rate risks and commodity prices. The Group does not hold derivative financial instruments for speculative purposes.

IV. Hedge Accounting:

The Group designates certain hedging instruments in respect of foreign currency risk as cash flow hedges. At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are reclassified to the Statement of Profit and Loss in the periods when the hedged item affects statement of profit & loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity, and is recognised when the forecast transaction is ultimately recognised in the Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

4.4. Impairment of Non-Financial Assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

4.5. Inventories

a) Basis of valuation:

1. Inventories including work-in-progress, other than scrap materials are valued at lower of cost and net realizable value after providing cost of Obsolescence, if any. The cost is determined using weighted average cost method.
2. Inventory of scrap materials have been valued at net realizable value.

b) Method of valuation:

1. Cost of raw materials comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.
2. Cost of finished goods and work-in-progress includes direct fixed and variable production overheads and indirect taxes as applicable. Fixed production overheads are allocated on the basis of normal capacity of production facilities.
3. Cost of traded goods comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.
4. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

4.6. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

4.7. Investments in subsidiaries, associates and joint ventures

The Group records the investments in subsidiaries, associates and joint ventures at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

When the Group issues financial guarantees on behalf of subsidiaries, initially it measures the financial guarantees at their fair values and subsequently measures at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

The Group records the initial fair value of financial guarantee as deemed investment with a corresponding liability recorded as deferred revenue. Such deemed investment is added to the carrying amount of investment in subsidiaries.

Deferred revenue is recognized in the Statement of Profit and Loss over the remaining period of financial guarantee issued.

The Group reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

4.8. Foreign Currency Transactions

The functional currency of the Group is Indian Rupees which represents the currency of the economic environment in which it operates.

Transactions in currencies other than the Group functional currency are recognized at the rates of exchange prevailing at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rate of exchange at the reporting date.

Any income or expense on account of exchange difference between the date of transaction and on settlement or on translation is recognized in the profit and loss account as income or expense.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation difference on such assets and liabilities carried at fair value are reported as part of fair value gain or loss.

In case of forward exchange contracts, the premium or discount arising at the inception of such contracts is amortized as income or expense over the life of the contract. Further exchange difference on such contracts i.e. difference between the exchange rate at the reporting /settlement date and the exchange rate on the date of inception of contract/the last reporting date, is recognized as income/expense for the period.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

4.9. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Consolidated Financial Statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries, where the Group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries, associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

4.10. Revenue Recognition

The Group recognizes revenue in accordance with Ind- AS 115. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Group expects to receive in exchange for those products or services.

Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

The Group presents revenues net of indirect taxes in its Statement of Profit and loss.

The specific recognition criteria from various stream of revenue is described below:

- a. Revenue from the sale of goods** is recognized upon transfer of control of promised products, usually on delivery of the goods (i.e. when performance obligation is satisfied) at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of returns and allowances, trade discounts and volume rebates offered by the Group as part of the contract.
- b. Revenue from Services** is recognized when respective service is rendered and accepted by the customer.
- c. Capacity swaps**
The exchange of network capacity is recognised at fair value unless the transaction lacks commercial substance or the fair value of neither the capacity received nor the capacity given is reliably measurable.
- d. Interest income**
For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).
- e. Rental income**
Rental income arising from operating leases or on investment properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.
- f. Insurance Claims**
Insurance claims are accounted for as and when admitted by the concerned authority.
- g. Dividend Income**
Dividend income on investments is recognised when the right to receive dividend is established.
- h. Other Income**
Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

4.11. Employee Benefits

Short Term Employee Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

i. Defined contribution plans

Provident Fund and employees' state insurance schemes

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

All employees of the Group are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Group are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

The Group contributions to both these schemes are expensed in the Statement of Profit and Loss. The Group has no further obligations under these plans beyond its monthly contributions.

ii. Defined benefit plans**Gratuity**

The Group provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Group. The Group provides for the Gratuity Plan based on actuarial valuations in accordance with Indian Accounting Standard 19 (revised), "Employee Benefits". The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Defined retirement benefit plans comprising of gratuity, un-availed leave, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Leave Encashment

No provision for Leave encashment due to the employees has been made and the same shall be accounted for on payment basis at the time of encashment/payment or claim made by the employee.

iii. Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Consolidated Financial Statements represents the actual deficit or surplus in the Group defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

4.12. Leases**As a lessee**

The Group lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. Lease period for Building taken on lease is ranging from 2 to 3 Years.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group lease liabilities are included in Other financial liabilities.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

4.13. Segment Reporting***Identification of segments:***

Operating segments are reported in a manner consistent with the internal financial reporting provided to the Chief Operating Decision Maker (CODM) i.e. Chief Executive officer. CODM monitors the operating results of all product segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in Consolidated Financial Statements. The primary reporting of the Group has been performed on the basis of business segments. The analysis of geographical segments is based on the areas in which the Group products are sold or services are rendered.

Allocation of common costs:

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items:

The Corporate and other segments include general corporate income and expense items, which are not allocated to any business segment.

4.14. Cash & Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4.15. Employee Share Based Payment

Equity- settled share- based payments to employees are measured at the fair value of the employee stock options at the grant. The fair value determined at the grant date of the equity- settled share - based payments is amortised over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the Statement of Profit and Loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the Share based payment reserve outstanding.

The Group measures the cost of equity- settled transactions with employees using Black- Scholes model to determine the fair value of the liability incurred on the grant date. Estimating fair value of the liability

ORIENT CABLES (INDIA) LIMITED*(Formerly known as Orient Cables (India) Private Limited)***(CIN: U31300DL2005PLC140809)****Notes Forming Part of the Consolidated Financial Statements for the year ended March 31, 2026**

based payment transactions require determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant.

This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them.

The dilutive effect, if any outstanding options is reflected as additional share dilution in computation of diluted earnings per share.

4.16. Prior Period Items

The Group has adopted following materiality threshold limits in the recognition of Prior period expenses/incomes:

No.	Threshold Items	Threshold Value
i.	Identification based on individual limits	Rs. 10 lakhs
ii.	Restatement based on overall limits	1% of Total Revenue of Previous FY

4.17. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Contingent liabilities are disclosed in the Consolidated Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are not recognised in the Consolidated Financial Statements. Contingent assets are disclosed in the Consolidated Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

d) Vendor Financing - Supplier Finance Arrangement

The Holding Company, in case of certain suppliers, enjoys extended credit period by using its credit line after the due date of the invoice. The interest cost in such case is borne by the Holding Company and is disclosed as finance cost. Since these are in nature of working capital loan/ short term loan, such amounts are disclosed as borrowings.

The Holding Company decides which invoices will be financed. The financier pays the supplier on the commercially agreed due date. The Holding Company repays the bank on due date of invoices along with interest rate 6.40% to 6.90% and 2M EBR (Repo Rate) + spread respectively. No guarantees or collateral are provided under the arrangement.

The Holding Company has no significant concentration of liquidity risk with any individual finance provider.

There were no material business combinations or foreign exchange differences that would affect the liabilities under the supplier finance arrangement in either period.

The carrying amounts of liabilities under the supplier finance arrangement are considered to be reasonable approximations of their fair values, due to their short-term nature.

The Holding Company has not provided comparative information in respect of the amendments to Ind AS 7 and Ind AS 107 relating to supplier finance arrangements, as it has applied the transitional relief available on initial adoption of these amendments, which allows

Notes to Consolidated Financial Statements for the year ended March 31, 2026

(Rs. in Lakhs)

40 Critical accounting estimates and judgments

The estimates and judgements used in the preparation of Consolidated financial statements are continuously evaluated by the Group, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Group believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date. Although the Group regularly assesses these estimates, actual results could differ materially from these estimates – even if the assumptions underlying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the year in which they become known.

The areas involving critical estimates or judgments are:

1. Useful lives of property, plant and equipments Note No. 4.1 & 5
2. Measurement of Lease liabilities and Right of Use Asset Note No. 4.12 & 7
3. Useful life of intangible asset Note No. 4.2 & 8
4. Taxes Note No. 4.9, 24 & 30
5. Measurement defined benefit obligation Note No. 4.11 & 41
6. Measurement of Fair Values and Expected Credit Loss (ECL) Note No. 4.3, 13 & 14
7. Estimation of Provisions & Contingent liabilities Note No. 4.17 & 43
8. Measurement of share based payments Note No. 4.15 & 58

41 During the year, Group has recognised the following amounts in the Consolidated financial statements as per Ind AS - 19 "Employees Benefits"**a) Defined Contribution Plan**

Contribution to Defined Contribution Plan, maintained under the Employees Provident Fund Scheme by the Central Government, is charged to Profit and Loss Account as under:

Particulars	For the year ended March 31, 2026
Employer's Contribution to Provident Fund and Other Funds	116.71

b) Defined Benefit Plan

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each year of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. Liability for leave encashment is being accounted on lodging of claim and no provision for any leave encashment is made in the books.

Particulars	Gratuity For the year ended March 31, 2026
Mortality	100% of IALM (2012 - 14)
Discount rate	7.90%
Salary Increase Rate	8.00%

These benefits are subject to the fulfillment of certain export obligation within the stipulated period of time under the EPCG Scheme such export obligation remaining to be fulfilled the year end is as follow.

Particulars	As at March 31, 2026
Export obligation under EPCG Scheme	-

(G) Material Civil Litigation

(i) Orient Electric Limited ("Orient Electric") filed an application under Section 16(1) of the Companies Act, 2013 for rectification of the corporate name of our Holding Company. Our Holding Company filed a preliminary reply dated September 18, 2025 claiming that the application was liable to be dismissed. Our Holding company further filed a detailed reply on October 10, 2025 in furtherance to the preliminary reply. The matter has been heard by the Ld. Regional Director on September 29, 2025, December 11, 2025, January 19, 2026, February 10, 2026 on which date the Ld. Regional Director was on leave and the matter was adjourned to March 11, 2026. Following the hearing held on March 11, 2026, the matter was listed on March 25, 2026, April 14, 2026 and May 6, 2026. On March 25, 2026 and May 6, 2026, adjournments were sought in view of the ongoing settlement discussions between the parties. The hearing scheduled on April 14, 2026 could not be taken up as it was a government holiday and the office of the Regional Director remained closed, resulting in no hearings being conducted on that date. On May 22, 2026, it was noted that the matter had been assigned to a newly appointed Regional Director. The newly appointed Regional Director has thereafter listed the matter on July 3, 2026. The matter is currently pending.

(ii) The Holding Company has filed a civil suit bearing no. CS (COMM) 1140 OF 2025, against Orient Electric Limited ("Orient Electric") before the Hon'ble High Court of Delhi at New Delhi ("High Court"), seeking a permanent injunction restraining Orient Electric and all persons acting on their behalf from manufacturing, selling, advertising, promoting or using the marks ORIENT, ORIENT ELECTRIC, ORIENT WIRES, ORIENT WIRES & CABLES, or any other mark identical or deceptively similar to our Holding Company's well-known brand "ORIENT CABLES" in relation to wires, cables or any allied goods in any manner that may cause passing off, dilution or unfair competition. The matter has been listed for hearing before the High Court on October 17, 2025, November 07, 2025, November 21, 2025, December 01, 2025, December 02, 2025, December 08, 2025, December 16, 2025, December 22, 2025, January 14, 2026, January 16, 2026, January 30, 2026, February 12, 2026 and February 19, 2026. The matter was listed before the Hon'ble Court on March 20, 2026. On the said date, both parties sought an adjournment. The matter is presently listed for hearing on July 28, 2026. The matter is currently pending.

(H) Litigation filed against Holding Company Material Civil Litigation

Orient Electric Limited ("Orient Electric") filed a counter civil suit bearing no. CS (COMM) 1200/2025 against our Holding Company before the Hon'ble High Court of Delhi at New Delhi ("High Court") seeking a permanent injunction restraining our Holding Company and all persons acting on their behalf from manufacturing, selling, offering for sale, marketing, advertising or otherwise dealing in any goods under the impugned mark "ORIENT" or any identical or deceptively similar variations thereof, including as part of any corporate/trade name, domain name, website or business identifier, so as to prevent infringement, passing off and unfair competition in relation to the Orient Electric's registered trademarks. The matter has been listed for hearing before the High Court on November 11, 2025, November 12, 2025, November 21, 2025, December 01, 2025, December 02, 2025, December 08, 2025, December 16, 2025, January 14, 2026, January 30, 2026, February 03, 2026, February 12, 2026 and February 19, 2026. The matter was listed on March 20, 2026 before HMI Jyoti Singh, wherein both parties sought an adjournment. The next date of hearing before the Hon'ble Court is July 28, 2026. Separately, before the Ld. Joint Registrar, the matter was listed on March 25, 2026 and was thereafter directed to be listed on July 2, 2026 for reporting settlement. If any, and/or completion of pleadings, Orient Cables/the Company filed its Written Statement on April 4, 2026. The written statement has been taken on record and has been placed for consideration on the already scheduled date of July 2, 2026. The matter is currently pending.

44 In the opinion of the Board and of the best of their knowledge and belief, the value of realization in respect of the Current Assets, Loans and advances in the ordinary course of business would not be less than the amount at which they are stated in the Balance Sheet and the provision for all known and determined liabilities is adequate and not in excess of amount reasonably required.

45 Segmental Reporting

(a) Primary Segment Information

The Group has identified business segments as its primary segment and geographic segments as its secondary segment. Accordingly segments have been identified in line with Indian Accounting Standard on Segment Reporting 'Ind AS-108'. The Group is mainly engaged in the business of manufacturing of extensive range of cables including Networking Cables, power Cable, Optical Fiber Cables, Wire & Cable harness assemblies, EV Charging Gun & Cable assembly and Other Allied Products etc. There are no reportable business segment taking into account all the factors, viz., the nature of product and services, identical risks and return, the organization structure and the internal financial reporting system.

(b) Geographical information

Geographical revenue is allocated based on the location of the customers and non current assets are also allocated based on the location of the assets. The information regarding geographical revenue and non-current assets are as follows:

Particulars	For the year ended March 31, 2026
Revenue from External Customers	
In India	1,06,316.86
Outside India	10,848.56
Total revenue as per statement of profit and loss	1,17,165.42
Non Current Assets	
Within India (excluding financial assets & deferred tax assets)	19,500.70
Outside India	-
Total	19,500.70

46 Disaggregation of Revenue

The operations of the Group are limited to business of manufacturing of extensive range of cables including Networking Cables, power Cable, Optical Fiber Cables, Wire & Cable harness assemblies, EV Charging Gun & Cable assembly and Other Allied Products etc. Revenue from contract with customers is from sale of manufactured goods. Sale of goods are made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Group has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Group is not significant.

Reconciliation of revenue as recognised in the Statement of Profit and Loss with the contracted price

Particulars	For the year ended March 31, 2026
Revenue as per contracted price	1,17,568.63
Less:	
Trade Discount, Rebate, variable consideration etc.	-
Sales Return	403.21
Revenue as per Statement of Profit & Loss (Ind AS-115)	1,17,165.42

Disaggregated revenue recognised in the Statement of Profit and Loss:

Particulars	For the year ended March 31, 2026
Networking Cables and Solutions	91,656.58
Specialty Power, Optical Fibre Cables and Solutions	25,039.41
Wire & Cable harness assemblies, EV Charging Gun & Cable assembly	15.18
Other Allied Products	454.26
Total	1,17,165.42

Primary Geographical Markets in respect of revenue as recognised in the Statement of Profit and Loss:

Particulars	For the year ended March 31, 2026
In India	1,06,316.86
Outside India	10,848.56
Total	1,17,165.42

Disaggregated revenue recognised in the Statement of Profit and Loss :

Particulars	For the year ended March 31, 2026
Related Party	1.40
External Customer	1,17,164.02
Total	1,17,165.42

KMP are those persons having authority and responsibility for planning, directing and controlling the activities of the Group, directly or indirectly, including any director, whether executive or otherwise. Remuneration to key management personnel were as follows:

F.Y. 2025-26

Particulars	Director	Company Secretary	CFO
Short-term employee benefits	229.90	30.02	68.44
Performance linked incentive ("PLI")	-	-	-
Post-employment benefit	12.10	0.22	2.08
Share-based payment [^]	-	3.19	-
Dividend paid	-	-	-
Commission paid	-	-	-

As the liabilities for the gratuity are provided on an actuarial basis, and calculated for the Group as a whole rather than each of the individual employees, the said liabilities pertaining specifically to KMP are not known and hence, not included in the above table.

[^]Share based payment transactions included above relates to fair value of options granted to Key Management Personnel under the ESOP scheme, that is amortised in the statement of Profit and Loss during the grant period until the Vesting of the shares as per the scheme.

48 Financial Risk Management Objectives and Policies

The Group principal financial liabilities comprise trade and other payables, lease liabilities. The main purpose of these financial liabilities is to finance the Group operations. The Group principal financial assets include cash and cash equivalents that derive directly from its operations.

The Group business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Group senior management has the overall responsibility for the establishment and oversight of the Group risk management framework. The Group risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group activities.

Management of Liquidity Risk

Liquidity risk is the risk that the Group will face in meeting its obligations associated with its financial liabilities. The Group approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the Group financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

Particulars	Notes Nos.	Carrying Amount	Less than 12 months	1 to 5 Years	Above 5 Years	Total
As at March 31, 2026						
Trade payables [*]	26	9,540.07	9,540.07	-	-	9,540.07
Borrowings [^]	22,25	23,419.19	19,846.34	3,572.85	-	23,419.19
Lease Liabilities	7	109.32	87.60	29.70	-	117.30

^{*}Trade payables also include Rs. 2,004.28 lakhs in respect of payable that have been discounted by suppliers from banks/financiers.

[^]Borrowings include Rs. 5,497.31 Lakhs in respect of trade payable that have been paid by the bank under supplier financing arrangements.

The Holding Company had access to following funding facilities :

	As at March 31, 2026		
Funding facilities	Total facility	Drawn	Undrawn
Less than 1 year	23,000.00	13,041.16	9,958.84
Total	23,000.00	13,041.16	9,958.84

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
INTEREST RATE RISK		
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group exposure to the risk of changes in market interest rates relates primarily to the Group long-term debt obligations with floating interest rates.	In order to manage its interest rate risk The Group diversifies its portfolio in accordance with the risk management policies.	As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Group has calculated the impact of a 1% change in interest rates.
a) Group has Fixed deposits with Banks amounting to Rs. 859.51 Lakhs as at March 31, 2026. Interest Income earned on fixed deposit for year ended March 31, 2026 is Rs. 52.25 Lakhs.		a) A 1% increase in interest rates would have led to approximately an additional Rs. 8.60 Lakhs gain for year ended March 31, 2026 in Interest income. A 1% decrease in interest rates would have led to an equal but opposite effect.
b) Group has Borrowing from Banks amounting to Rs. 23,318.19 Lakhs as at March 31, 2026. Interest Expenses on such borrowings from Banks for the year ended March 31, 2026 is Rs. 1,093.32 Lakhs.		b) A 1% increase in interest rates would have led to approximately an additional Rs. 233.18 Lakhs loss for year ended March 31, 2026 in Interest expense. A 1% decrease in interest rates would have led to an equal but opposite effect.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting year.

ORIENT CABLES (INDIA) LIMITED

(Formerly known as Orient Cables (India) Private Limited)

(CIN: U31300DL2005PLC140809)

Notes to Consolidated Financial Statements for the year ended March 31, 2026

(Rs. in Lakhs)

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
PRICE RISK		
The Group is exposed to price risk arising from its investments in mutual funds classified as financial assets measured at Fair Value Through Profit or Loss (FVTPL). These investments are valued based on the Net Asset Value (NAV) declared by the respective fund houses at the reporting date. Consequently, changes in the NAV due to market movements may impact the Group's profit before tax.	The Group manages its exposure to price risk by investing surplus funds in a diversified portfolio of mutual funds after evaluating the credit quality, investment objectives and liquidity profile of the schemes. The investment portfolio is periodically reviewed and monitored by the management to ensure that the associated market risks remain within acceptable limits.	As an estimation of the approximate impact of the price risk, with respect to financial instruments, the Group has calculated the impact of a 1% change in NAV. A reasonably possible 1% increase in the Net Asset Value (NAV) of mutual fund investments at the reporting date, with all other variables held constant, would have resulted in an approximately Rs. 7.89 lakhs increase in profit before tax as at March 31, 2026 (March 31, 2025: Rs. 7.49 lakhs). A 1% decrease in the NAV would have resulted in an equal but opposite
The Group has investment in mutual funds amounting to Rs. 788.96 Lakhs as at March 31, 2026 (Rs. 748.60 Lakhs as at March 31, 2025).		

Foreign Currency Risk:

The Group operates internationally and undertakes transactions denominated in foreign currencies, primarily USD and Euro. Consequently, the Group is exposed to foreign currency risk arising from export revenues, import of raw materials and capital goods, and other foreign currency commitments.

Exchange rate fluctuations may impact the Group revenue, costs, and outstanding receivables/payables denominated in foreign currencies. The Group manages its foreign exchange exposure in accordance with its approved risk management policy.

Foreign currency exposure at the end of the reporting year and its sensitivity analysis: refer note no. 50.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

The Group trades with recognized and credit worthy third parties. It is the Group policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an on-going basis with the result that the Group exposure to bad debts is not significant. At March 31, 2026 the Group had top 10 customers that owed the Group more than Rs. 16,298.09 Lakhs and accounted for approximately 74.15% of all the receivables outstanding. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note no. 14. The Group does not hold collateral as security. The Group is exposed to credit risk in the event of non-payment by customers. Credit risk concentration with respect to trade receivables is mitigated by the Group large customer base. Adequate expected credit losses are recognized as per the assessments. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

During the year, the Group assigned certain trade receivables under a limited recourse factoring arrangement, which have been derecognised in accordance with Ind AS 109. Accordingly, such receivables are not included in the Group's maximum credit risk exposure. (Refer Note 15.8).

The Group invests surplus funds in debt mutual fund schemes. These schemes mainly invest in high-quality debt securities and, accordingly, the Group considers the associated credit risk to be low.

Security deposits with landlords, which are recoverable on completion of lease term or termination of lease arrangements where the credit risk is envisaged to be minimal and recoverability of such amount is monitored at regular intervals. The Group has not acquired any credit impaired asset.

The risk of default in respect of loans granted to the subsidiary is considered negligible, considering the financial position and ongoing support arrangements.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Group policy. The Group maintains its Cash and cash equivalents and Bank deposits with reputed and highly rated banks. Hence, there is no significant credit risk on such deposits. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Group maximum exposure to credit risk for the components of the balance sheet at March 31, 2026 is the carrying amounts as illustrated in Note no. 10, 15, 16 & 17.

Capital Management

Capital includes issued equity capital and Securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Group capital management is to ensure the Group ability to continue as a going concern and maximize the shareholder value.

Particulars	Note No.	As at March 31, 2026
Borrowings (excluding supplier finance arrangement)	22,25	17,921.88
Liabilities under supplier finance arrangement	25	5,497.31
Less: Cash and Cash equivalents	15	(1,289.46)
Less: Other Bank Balances	16	(36.22)
Net Debt		22,093.51
Total Equity		23,606.85
Net Debt to Equity		93.59%

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Group monitors capital using Net debt equity ratio, which is Net Debt divided by Equity.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2026.

49 Financial Instruments by category

Particulars	As at March 31, 2026				
	FVTPL	FVTOCI	Amortised Cost	Total Carrying Value	Total Fair Value
1) Financial Assets					
I) Cash and Cash equivalents (Note No. 15)	-	-	1,289.46	1,289.46	1,289.46
II) Other Bank Balances (Note No. 16)	-	-	36.22	36.22	36.22
III) Trade Receivables (Note No. 14)	-	-	21,811.91	21,811.91	21,811.91
IV) Investments (Note No. 13)	788.96	-	-	788.96	788.96
VI) Other Receivables (Note No. 10, 17)	-	-	2,458.95	2,458.95	2,458.95
Total financial assets	788.96	-	25,596.54	26,385.50	26,385.50
2) Financial liabilities					
I) Trade payables (Note No. 26)	-	-	9,540.07	9,540.07	9,540.07
II) Borrowings (Note No. 22, 25)	-	-	23,419.19	23,419.19	23,419.19
III) Lease Liabilities (Note No. 7)	-	-	109.32	109.32	109.32
IV) Foreign currency forward contracts (Note No. 27)	31.44	-	-	31.44	31.44
V) Other Liabilities (Note No. 27)	-	-	713.50	713.50	713.50
Total financial liabilities	31.44	-	33,782.08	33,813.51	33,813.51

Management has assessed that Cash and cash equivalents, Other balances with banks, Loans, Trade receivables, Other financial assets, Borrowings, Lease liabilities, Trade payables and Other financial liabilities with short term-maturities carried at amortized cost (Level 3) approximate their carrying amounts largely due to the short-term maturities of these instruments.

Fair value hierarchy :

The fair value measurement hierarchy of the Group assets and liabilities are as follows:

	Level 1	Level 2	Level 3
	As at March 31, 2026	As at March 31, 2026	As at March 31, 2026
Financial assets			
At fair Value through Profit or Loss			
Investment	788.96	-	-
Financial liabilities			
At fair Value through Profit or Loss			
Foreign currency forward contracts	-	31.44	-

The financial Instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation Methodology

All financial instruments are initially recognized and subsequently re-measured at fair value as described below :

(a) Investment in mutual funds are valued using the closing net assets value (NAV) as at the Balance Sheet date. Foreign currency forwards are valued based on the forward exchange rates provided by the bank as at the balance sheet date.

(b) Trade receivables, cash and cash equivalents, borrowings, trade payables and other financial assets and liabilities approximate the carrying value due to their short term maturities. Fair value is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

(c) The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting year.

(d) Fair value of the remaining financial Instruments is determined using discounted cash flow analysis, unless the carrying value is considered to approximate to fair value.

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

50 Foreign Currency Exposure

a) The Group undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations will arise.

b) The Group uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. The use of foreign currency forward contracts is governed by the Company's strategy, which provides principles on the use of such forward contracts consistent with Company's Risk Management Policy. The Group does not use forward contracts for speculative purposes.

c) The carrying amounts of the Group foreign currency denominated monetary assets and monetary liabilities at the end of the reporting year are as follows:

Particulars	As at March 31, 2026	
	Foreign Currency	Equivalent
		(Rs. in Lakhs)
USD/INR	7,26,850.00	628.69

Foreign Currency Exposure

Particulars	Currency	As at March 31, 2026	
		Foreign Currency	Equivalent
			(Rs. In Lakhs)
Trade Receivables	USD/Rs.	24,86,180.55	2,357.65
Trade Payables	USD/Rs.	10,07,336.32	955.36
Advance from Customers	EURO/Rs.	725.19	0.79
	USD/Rs.	1,02,703.56	83.39
Advance to Suppliers	USD/Rs.	1,45,903.93	136.94
Bank EEFC	USD/Rs.	15,963.55	15.14
PCFC Loan	USD/Rs.	-	-

Foreign currency sensitivity analysis

The following details demonstrate the Group sensitivity to a 5% increase and decrease in the Rs. against the relevant foreign currencies. The sensitivity analysis includes only outstanding foreign currency denominated monetary items as tabulated above and adjusts their translation at the year end for a 5% change in foreign currency rates. A positive number below indicates an increase in profit or equity and vice-versa.

Impact on profit or loss for the year	As at March 31, 2026	
	Rupee strengthens by 5%	Rupee weakens by 5%
USD	(102.31)	102.31

- xv) The Group has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
- (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or
- (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- xvi) The Group has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
- (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

58 Share Based Payments

At the recommendation of Nomination and remuneration committee and pursuant to the resolution passed by the Board of Directors in their meeting held on June 12, 2025, and approved by the Shareholder at their annual general meeting held on June 13, 2025, the Holding Company has announced the OCL Employee Stock Option Scheme 2025 ("OCL ESOP Scheme 2025") for issue of options to the eligible employees which may result in issue of Equity Shares not exceeding 4,000,000 Equity Shares. The OCL ESOP Scheme 2025 has been framed in compliance with the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021. During the year, the Nomination and Remuneration Committee in its meeting held on June 12, 2025 granted 4,96,024 options to the eligible employees of the Holding Company at an exercise price of Rs. 212.96. Remaining options of 35,03,976 are available in the ESOP Pool to be granted to the employees of the Holding Company. Over the course of operations, 59,713 options out of the granted pool lapsed and were added back to the ungranted pool. Hence, total ungranted options as on March 31, 2026 are 35,63,689. Vesting of Options will take place over year of Four years in the manner as under:

Vesting Schedule: end of			
1st Year	2nd Year	3rd Year	4th Year
15%	25%	30%	30%

Set out below is a summary of options granted under

Particulars	For the year ended March 31, 2026	
	Weighted average exercise price per share option (INR)	Number of options
Opening balance	-	-
Granted during the year	212.96	4,96,024
Exercised during the year	-	-
Forfeited/expired during the year	-	59,713
Closing balance	212.96	4,36,311

Share options outstanding at the end of reporting year has following exercise prices and weighted average remaining contractual life:

Grant date	For the year ended March 31, 2026		
	Exercise price	Share options	Weighted average remaining contractual life
June 13, 2025	212.96	65,447	4.12
June 13, 2025	212.96	1,09,078	4.62
June 13, 2025	212.96	1,30,893	5.12
June 13, 2025	212.96	1,30,893	5.62

Measurement of fair values

The fair values are measured based on the Black-Scholes-Merton model. The fair value of the options and inputs used in the measurement of the grant date and measurement date fair values of the equity-settled and cash settled share based payments are as follows:

Options granted on	Fair value per Option at grant date (INR)	Share price at grant date (INR)	Exercise price (INR)	Expected volatility	Expected life (in years)	Expected dividend yield	Risk-free interest rate
June 13, 2025	96.79	212.96	212.96	36.69%	4.92	0.23%	5.89%
June 13, 2025	96.79	212.96	212.96	38.48%	5.42	0.23%	5.92%
June 13, 2025	96.79	212.96	212.96	38.19%	5.92	0.23%	5.96%
June 13, 2025	96.79	212.96	212.96	37.77%	6.42	0.23%	5.90%

The carrying amount of Employee stock options outstanding reserve as at March 31, 2026 is Rs. 152.03 Lakhs for ESOP granted to the employees of the Holding Company.

Share based payment expenses for ESOPs issued to KMPs:

Name of Person	Amount
Ms. Mona Kaushik	3.19
Total Share based payment expenses for ESOPs issued to KMPs	3.19

59 Audit Trail

The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Holding Company uses SAP Business One 10.0 for SAP HANA (Version 10.00.180) FP 2111 (64-bit) and the subsidiary company uses TallyPrime (Release 6.1) for maintaining their respective books of account. Both the accounting software applications have a feature of recording an audit trail (edit log), which has operated throughout the year for all relevant transactions recorded in the software, except that the audit trail feature was not enabled at the database level to log any direct data changes. Further, there were no instances of the audit trail feature being tampered with in respect of the accounting software for which the audit trail feature was enabled. Additionally, the audit trail has been preserved by the Holding Company and the subsidiary company in accordance with the statutory requirements for record retention.

60 Backup of Books of accounts

The Group is maintaining its books of accounts in electronic mode and these books of accounts are accessible in India at all times and the back-up of these books of accounts have been kept in servers physically located in India.

61 Event occurred after Balance sheet date

a) The Holding Company has entered into a Memorandum of Understanding ("MoU") with Aditya Infotech Limited wherein it was agreed to enter into 50:50 Joint Venture arrangement for the purposes of carrying on the business of manufacturing of electric cables including LAN cables and CCTV cables, terminated assemblies, and connectors, for Aditya Infotech Limited ("AIL"). In order to implement the proposed Joint Venture, it has been agreed to incorporate a Private Limited Company in the name and style as agreed between the Parties under the said MoU. The MoU is a non-binding arrangement, and the proposed joint venture shall be subject to execution of definitive agreement(s) and other necessary approvals, if any. The MoU shall automatically stand terminated upon execution of such definitive agreement(s).
